[Project No. 420]

City of Ketchikan; Notice of Authorization for Continued Project Operation

July 13, 2000.

On June 30, 1998, the City of Ketchikan, licensee for the Ketchikan Lakes Project No. 420, filed an application for a new or subsequent license pursuant to the Federal Power Act (FPA) and the Commission's regulations thereunder. Project No. 420 is located on Ketchikan Creek within and adjacent to the City of Ketchikan, Alaska.

The license for Project No. 420 was issued for a period ending June 30, 2000. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year to year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of Section 15 of the FPA, then, based on Section 9(b) of the Administrative Procedure Act, 15 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to Section 15 of the FPA, notice is hereby given that an annual license for Project No. 420 is issued to the City of Ketchikan for a period effective July 1, 2000, through

June 30, 2001, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before June 30, 2001, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that the City of Ketchikan is authorized to continue operation of the Ketchikan Lakes Project No. 420 until such time as the Commission acts on its application for subsequent license.

[Project No. 1895]

South Carolina Electric and Gas Company; Notice of Authorization for Continued Project Operation

July 13, 2000.

On June 30, 1998, South Carolina Electric and Gas Company, licensee for the Columbia Project No. 1895, filed an

application for a new or subsequent license pursuant to the Federal Act (FPA) and the Commission's regulations thereunder. Project No. 1895 is located on the Broad and Congaree Rivers in Richland County and the City of Columbia, South Carolina.

The license for Project No. 1895 was issued for a period ending June 30, 2000. Section 15(a)(1) of the EPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year to year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in Section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of Section 15 of the FPA, then, based on Section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to Section 15 of the FPA, notice is hereby given that an annual license for Project No. 1895 is issued to South Carolina Electric and Gas Company for a period effective July 1, 2000, through June 30, 2001, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before June 30, 2001, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that South Carolina Electric and Gas Company is authorized to continue operation of the Columbia Project No. 1895 until such time as the Commission

acts on its application for subsequent license.
