RIN 2125-AE76

**Temporary Matching Fund Waiver**

**AGENCY:** Federal Highway Administration (FHWA), DOT.

**ACTION:** Final rule; rescission of regulation.

**SUMMARY:** This document rescinds the regulation that prescribes procedures for administering section 1054 of the Intermodal Surface Transportation Efficiency Act of 1991 (ISTEA) providing for a temporary waiver of State matching fund requirements. Since the period of this special provision has expired, and all money has been repaid, the regulation is obsolete.

**DATES:** This rule is effective July 26, 2000.

**FOR FURTHER INFORMATION CONTACT:** Mr. Max Inman, Federal-aid Financial Management Division, (202) 366-2583 or Mr. Steve Rochlis, Office of the Chief Counsel, (202) 366-1395, Federal Highway Administration, 400 Seventh Street, SW., Room 4310, Washington, DC 20590. Office hours are from 7:45 a.m. to 4:15 p.m., e.t., Monday through Friday, except Federal holidays.

**SUPPLEMENTARY INFORMATION:****Electronic Access**

An electronic copy of this document may be downloaded using a modem and suitable communications software from the Government Printing Office's Electronic Bulletin Board Service (202) 512-1661. Internet users may reach the Office of the Federal Register's home page at <http://www.nara.gov/fedreg> and the Government Printing Office's database at <http://www.access.gpo.gov/nara>.

**Background**

Under the provisions of section 1054 of the ISTEA, Public Law 102-240, 105 Stat. 1914, at 2001 (23 U.S. Code, 120 note), a State could request an increased Federal share up to 100 percent for any qualifying title 23, U.S. Code, project beginning October 1, 1991, and ending September 30, 1993. The total amount of any such increase had to be repaid to the United States on or before March 30, 1994. If a State did not make the required repayment by March 30, 1994, the Secretary of Transportation could make deductions from funds apportioned to the States for fiscal years 1995 and 1996. Since the period of this special provision has expired, and all money has been repaid, it is no longer necessary to have this particular regulation.

**Rulemaking Analyses and Notices**

This final rule makes only minor technical corrections to our existing regulation. The rule replaces outdated statutory language due to the expiration of a special provision under ISTEA granting States temporary matching fund waiver and requiring repayment by March 30, 1994. Because the Congress did not enact a similar matching fund

waiver in the Transportation Equity Act for the 21st Century (TEA-21), (Pub. L. 105-178, 112 Stat. 107 (1998) or any other statute, there is no need for the provision in the current regulations. Therefore, the FHWA finds good cause to rescind the rule without prior notice or opportunity for public comment [5 U.S.C. 553(b)]. The DOT's regulatory policies and procedures also authorize rescission of the rule without prior notice because it is anticipated that such action would not result in the receipt of useful information. The FHWA is making the rule effective upon publication in the **Federal Register** because it imposes no new burdens and merely rescinds an existing regulation that has become obsolete.

**Executive Order 12866 (regulatory Planning and Review) and DOT Regulatory Policies and Procedures**

The FHWA has considered the impact of this action and has determined that it is not a significant regulatory action within the meaning of Executive Order 12866 or a significant within the meaning of the Department of Transportation regulatory policies and procedures. Since this rulemaking action merely removes an obsolete regulation, it is anticipated that its economic impact is minimal; therefore, a full regulatory evaluation is not required.

**Regulatory Flexibility Act**

In compliance with the Regulatory Flexibility Act (5 U.S.C. 601-612), the FHWA has evaluated the effects of this action on small entities. Based on the evaluation, and since this rulemaking action merely removes an outdated regulation, the FHWA hereby certifies that this action will not have a significant economic impact on a

substantial number of small entities. In any event, States are not included in the definition of "small entity" set forth in 5 U.S.C. 601. Therefore, this action will not have a significant economic impact on a substantial number of small entities for purposes of the Regulatory Flexibility Act.

#### **Executive Order 13045 (Protection of Children)**

We have analyzed this action under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. #### **Executive Order 12630 (Taking of Private Property)**

This action will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

This action has been analyzed in accordance with the principles and criteria contained in Executive Order 13132, dated August 4, 1999, and it has been determined that this action does not have a substantial direct effect or sufficient federalism implications on States that would limit policymaking discretion of the States. #### **Payroll and Related Expenses of Public Employees; General Administration and Other Overhead; and Cost Accumulation Centers and Distribution Methods**

**AGENCY:** Federal Highway Administration (FHWA), DOT.

**ACTION:** Final rule; rescission of regulation.

**SUMMARY:** This document rescinds the regulation for payroll and related expenses of public employees; general administration and other overhead; and cost accumulation centers and distribution methods. This rescission stems from a provision in the Transportation Equity Act for the 21st Century (TEA-21) that allows for eligibility of administrative costs of a State department of transportation (State DOT). The provision permits State transportation departments to request Federal reimbursement for various indirect costs, such as administrative overhead. Previously, Federal reimbursement was only available for direct costs, such as project construction and engineering expenses. States may claim indirect costs in accordance with the provisions of Office of Management and Budget (OMB) Circular A-87.

**DATES:** This rule is effective July 26, 2000.
