

Collection of Information

This final rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520.).

Federalism

We have analyzed this final rule under Executive Order 13132 and have determined that this final rule does not have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal Government's having first provided the funds to pay those costs. This final rule would not impose an unfunded mandate.

Taking of Private Property

This final rule would not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This final rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this final rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This final rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

We considered the environmental impact of this final rule and concluded that, under figure 2–1, paragraph (32)(e), of Commandant Instruction M16475.1C, this final rule is categorically excluded from further environmental documentation. This final rule will change an existing special drawbridge operating regulation promulgated by a Coast Guard Bridge Administration Program action. A “Categorical Exclusion Determination” is available in

the docket where indicated under **ADDRESSES**.

FOR FURTHER INFORMATION CONTACT: Malcolm Hunt, (770) 360–1104.

SUPPLEMENTARY INFORMATION: On April 19, 1999, the Postal Service announced in the **Federal Register** (62 FR 19039–19042) the introduction of Priority Mail Global Guaranteed on an interim basis.

The Postal Service, through an alliance with DHL Worldwide Express Inc., is offering an enhanced expedited service, Priority Mail Global Guaranteed, from selected locations in the United States to most countries. This service offers day-certain delivery with postage refund guarantee and document reconstruction coverage of \$100 for allowable contents.

On November 4, 1999, the Postal Service announced in the **Federal Register** (64 FR 60106–60109) an amendment to the interim rule to add more U.S. acceptance locations and to extend the service to more destination countries. On May 26, 2000, the Postal Service again amended the interim rule in the **Federal Register** (65 FR 34096–34101) to change rates for Priority Mail Global Guaranteed service and to provide service to most countries. Public comments were requested by June 26, 2000, and by that date one comment was received. The comment related to the way in which the Postal Service categorized the U.S. acceptance offices and how the acceptance offices were selected.

The acceptance offices are selected on their ability to meet the stringent service standards for this service based on local considerations such as timely transportation, mail processing capabilities, and access to national transportation. Most decisions are made by local postal officials and are based on local conditions and the ability to have reasonable acceptance times. The Postal Service will continue to evaluate the acceptance network and expand it when service can be reasonably provided.

The Postal Service is amending the interim rule on Priority Mail Global Guaranteed service to change rates for this service, add additional acceptance offices, introduce optional document reconstruction insurance coverage up to \$2,499, and provide service to China.

The rates have been refined to have separate rates for all rates groups. In addition, a number of destinations are assigned to different rates groups. The redesigned rate schedule better reflects the cost of providing the service.

Service is also being added to China. It should be noted that due to circumstances beyond the control of the Postal Service, service to Brazil has been temporarily suspended. Service will be available to all country destinations listed in the International Mail Manual (IMM) except Afghanistan, Ascension, Brazil, Iraq, Japan, Democratic People's Republic of Korea (North), Libya, Pitcairn Island, Saint Helena, Sudan, and Tristan de Cunha.

The applicable rates and the destination countries that are associated with each rate group are as follows:
