Abstract: Each VA medical center has authority to hire its own VA police officers. Prior to employment of a qualified applicant, each facility is required to conduct an FBI arrest record inquiry and to contact listed former employers for a determination of any adverse performance or suitability information. VA Form 0120 is completed by each VA facility human resources office and serves as the record of pre-employment screening to determine the qualifications and suitability of the applicant. The Office of Security and Law Enforcement reviews each completed form and authorizes the VA police badge set issuance only in those instances where screening documentation is satisfactorily accomplished. The form serves as a standard means of ensuring the completion of the pre-employment process.

SUPPLEMENTARY INFORMATION:

Title: Generic Clearance for the National Cemetery Administration, Office of Financial Management, and Office of Inspector General Customer Satisfaction Surveys.

OMB Control Number: 2900-0571.

Type of Review: Extension of a currently approved collection.

Abstract: Executive Order 12862, Setting Customer Service Standards, requires Federal agencies and departments to identify and survey its customers to determine the kind and quality of services they want and their level of satisfaction with existing service. The NCA, OFM, and IG use the customer satisfaction surveys to evaluate customer services as well as customer expectations and desires. The results of this information collection lead to improvements in the quality of the NCA, OFM, and IG service delivery by helping to shape the direction and focus of specific services.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection

of information was published on June 20, 2000 at pages 38319–38321.

Affected Public: Individuals or households, Business or other for-profit and State, Local or Tribal Government.

Listing of Survey Activities: The following list of activities is a compendium of customer satisfaction survey plans by the NCA, OFM, and IG. The actual conduct of any particular

activity listed could be affected by circumstances. A change in, or refinement of, our focus in a specific area, as well as resource constraints could require deletion or substitution of any listed item. If these organizations substitute or propose to add a new activity that falls under the umbrella of this generic approval, including those

activities that are currently in a planning stage, OMB will be notified and will be furnished a copy of pertinent materials, a description of the activity and number of burden hours involved. The NCA, OFM, and IG will conduct periodic reviews of ongoing survey activities to ensure that they comply with the PRA.

Most customer satisfaction surveys will be recurring so that NCA, OFM, and IG can create and maintain ongoing measures of performance and to determine how well VA meets customer service standards. Each collection of information will consist of the minimum amount of information necessary to determine customer needs and to evaluate each organization's performance. NCA expects to conduct 15 focus groups annually involving a total of 450 hours during the approval period. In addition, NCA expects to conduct mail surveys with a total annual burden of 8,000 hours and will

distribute comment cards with a total annual burden of 208 hours. NCA also plans to conduct mail surveys with customers of specific programs (*e.g.* Headstones and Markers, Presidential Memorial Certificates, State Veterans Cemeteries) to determine levels of service satisfaction. Program specific surveys are estimated at 500 burden hours annually during the approval period. OFM and IG will distribute written surveys with a total annual burden of 338 hours.
