

replacing a 12,600 hp engine with a 15,000 hp engine; (4) installing a new 6,400 hp Compression Station next to the existing Greenlick Relay Station in Potter County, Pennsylvania; (5) installing a new 7,000 hp Brookman Corners Compressor Station in Montgomery County, New York; and (6) abandoning approximately 13 miles (11.4 miles in-place and 9,600 feet by removal) of the 12-inch-diameter LN-9 Pipeline in Armstrong County, Pennsylvania.

The purpose of the proposed project would be to replace with its own facilities, capability currently provided to Dominion by Tennessee Gas Pipeline Company (Tennessee). This would allow Dominion to continue to guarantee service to current customers at the same level. Dominion anticipates termination of its contract with Tennessee allowing throughput on Tennessee's system. The proposal does not include provision for adding service or customers.

The EA has been placed in the public files of the FERC. A limited number of copies of the EA are available for distribution and public inspection at: Federal Energy Regulatory Commission, Public Reference and Files Maintenance Branch, 888 First Street, N.E., Room 2A, Washington, DC 20426, (202) 208-1371.

Copies of the EA have been mailed to Federal, state and local agencies, public interest groups, interested individuals, newspapers, and parties to this proceeding.

Any person wishing to comment on the EA may do so. To ensure consideration prior to a Commission decision on the proposal, it is important that we receive your comments before the date specified below. Please carefully follow these instructions to ensure that your comments are received in time and properly recorded:

- Send two copies of your comments to: Secretary, Federal Energy Regulatory Commission, 888 First St., N.E., Room 1A, Washington, DC 20426;
- Label one copy of the comments for the attention of Gas 2, PJ11.2.
- Reference Docket No. CP00-64-000; and
- Mail your comments so that they will be received in Washington, DC on or before October 6, 2000.

Comments will be considered by the Commission but will not serve to make the commenter a party to the proceeding. Any person seeking to become a party to the proceeding must file a motion to intervene pursuant to Rule 214 of the Commission's Rules and Practice and Procedures (18 CFR 385.214). Only intervenors have the

right to seek rehearing of the Commission's decision.

Affected landowners and parties with environmental concerns may be granted intervenor status upon showing good cause by stating that they have a clear and direct interest in this proceeding which would not be adequately represented by any other parties. You do not need intervenor status to have your comments considered.

Additional information about the proposed project is available from Paul McKee in the Commission's Office of External Affairs, at (202) 208-1088 or on the FERC Internet website (www.ferc.fed.us) using the "RIMS" link in this docket number.
