

RESPONDENT AVERAGE BURDEN PER SURVEY RESPONSE ACTIVITY

Respondent activity	Total burden per activity (hours)
Read Instructions	5
Gather Information/Data	11
Complete Survey Form	8
Review Survey Responses	7
All Activities	31

COLLECTION OF AQUATIC ANIMAL PRODUCTION FACILITIES DATA, TOTAL RESPONDENT BURDEN AND COSTS

Total number of responses	Average burden per respondent (in hours)	Total burden (in hours)	Average labor costs per respondent (in dollars)	Total labor costs (in dollars)	Average O&M costs per respondent (in dollars)	Total O&M costs (in dollars)	Total costs (in dollars)
500	31	15,500	\$694	\$347,000	\$10.50	\$5,250	\$352,250

In addition, EPA solicits comments and suggestions regarding the substance and form of the draft survey instrument. For example, EPA solicits comment on whether the directions and questions are clear and concise; whether the definitions are consistent with the industry's use of terms; whether the right questions are contained in the survey (if not, please suggest more appropriate ones); whether the questions adequately cover all pertinent factors relevant to developing equitable guidelines (if not, what needs to be added?). EPA is also soliciting survey instrument. For example, EPA solicits comment on whether the directions and questions are clear and concise; whether the definitions are consistent with the industry's use of terms; whether the right questions are contained in the survey (if not, please suggest more appropriate ones); whether the questions adequately cover all pertinent factors relevant to developing equitable guidelines (if not, what needs to be added?). EPA is also soliciting comments on means of reducing the data collection burden.

Dated: August 31, 2000.

Geoffrey H. Grubbs,

Director, Office of Science and Technology.

Proposed Settlement Agreement

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed settlement agreement; request for public comment.

SUMMARY: In accordance with section 113(g) of the Clean Air Act, as amended, 42 U.S.C. 7413(g), notice is hereby given of a proposed settlement agreement in *American Foundrymen's Society, et al. v. EPA*, Civ. No. 00-1208 (D.C. Cir.), a case filed by the American Foundrymen's Society, the North American Die Casting Association, and the Non-Ferrous Founders' Society ("Petitioners"). This case concerns the National Emission Standard for Hazardous Air Pollutants for Secondary Aluminum Production (65 FR 15690, March 23, 2000). The proposed settlement agreement was lodged with the United States Court of Appeals for the District of Columbia Circuit on July 31, 2000.

DATES: Written comments on the proposed settlement agreement must be received by October 16, 2000.

ADDRESSES: Written comments should be sent to Timothy D. Backstrom, Air and Radiation Law Office (2344A), Office of General Counsel, U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW, Washington, DC 20460. Copies of the proposed settlement agreement are available from Phyllis J. Cochran, (202) 564-7606. A copy of the proposed settlement agreement was also lodged with the Clerk of the United States Court of Appeals for the District of Columbia Circuit on July 31, 2000.

FOR FURTHER INFORMATION CONTACT: On March 23, 2000, EPA published a final National Emission Standard for Hazardous Air Pollutants ("NESHAP") for Secondary Aluminum Production establishing Maximum Achievable Control Technology ("MACT")

requirements for this source category. (40 part 63, subpart RRR, 65 FR 15690) As promulgated, this standard applies to certain major and area source aluminum foundries and aluminum die casting facilities. However, in the preamble to the final rule, we stated our intention to remove aluminum foundries and aluminum die casters from subpart RRR and to develop alternate MACT requirements for these sources. We intend to collect further information from all such facilities using our authority under CAA section 114, 42 U.S.C. 7414, and to make a new determination concerning the MACT floor and MACT requirements for these facilities based on this information. We are preparing an Advance Notice of Proposed Rulemaking ("ANPR") announcing our intention to develop alternate MACT requirements for aluminum foundries and die casters, and a Proposed Rule to stay the effectiveness of Subpart RRR as applied to aluminum foundries and die casters during the pendency of the MACT rulemaking.

On May 16, 2000, the Petitioners filed a petition in the D.C. Circuit Court of Appeals for judicial review of the Secondary Aluminum NESHAP, which was docketed as *American Foundrymen's Society et al. v. EPA*, Civ. No. 00-1208. However, the parties in that action are in agreement that the issuance of a proposed rule to adopt alternate MACT requirements for aluminum foundries and die casters and a final rule to stay Subpart RRR as applied to these facilities should make the present petition for review moot and result in voluntary dismissal of the petition. Accordingly, the parties negotiated a settlement agreement describing the elements of this process,

and have jointly moved the Court to hold the case in abeyance while the agreement is finalized and implemented.

The proposed settlement agreement provides that EPA will issue an ANPR announcing our intention to remove aluminum foundries and die casters from subpart RRR and to propose alternative MACT requirements for aluminum foundries and die casters, and a Proposed Rule to stay subpart RRR with respect to such sources, within six weeks. The agreement also provides that we will issue a Proposed Rule to remove aluminum foundries and die casters from subpart RRR and to adopt alternate MACT requirements for aluminum foundries and die casters, and will take final action concerning the proposed stay of subpart RRR with respect to such sources, within two years.

The agreement also allows individual foundries or die casters who are subject to subpart RRR to satisfy their Initial Notification requirements under 40 CFR 63.9 by timely submission of a portion of a complete response to the Information Collection Request ("ICR") that we will be issuing to all aluminum foundries and die casters pursuant to CAA section 114. In the agreement, the Petitioners agree to use their best efforts to facilitate issuance of the ICR and the timely submission of responses to it by the facilities that receive it. The Petitioners also agree to cooperate with us to identify appropriate facilities at which emission testing will be conducted.

For a period of thirty (30) days following the date of publication of this notice, EPA will receive written comments relating to the proposed settlement agreement from persons who were not named as parties or interveners to the litigation in question. EPA or the Department of Justice may withdraw or withhold consent to the proposed consent decree if the comments disclose facts or considerations that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Act. Unless EPA or the Department of Justice determine, following the comment period, that consent is inappropriate, the settlement agreement will then be executed by the parties.

Dated: August 31, 2000.

Anna L. Wolgast,

Acting for General Counsel.

Notice of Meeting of the EPA's Children's Health Protection Advisory Committee (CHPAC)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of meeting.

SUMMARY: Pursuant to the provisions of the Federal Advisory Committee Act, Public Law 92-463, notice is hereby given that the next meeting of the Children's Health Protection Advisory Committee (CHPAC) will be held September 26-28, 2000 at the Holiday Inn, Silver Spring, MD. The CHPAC was created to advise the Environmental Protection Agency in the development of regulations, guidance and policies to address children's environmental health.

DATES: Tuesday, September 26, 2000 Work Group meetings only; plenary sessions Wednesday, September 27, 2000 and Thursday, September 28, 2000.

ADDRESSES: Holiday Inn Silver Spring, 8777 Georgia Avenue, Silver Spring, MD 20910-3703.

Agenda Items: The meetings of the CHPAC are open to the public. The Science and Research Work Group will meet from 9:30 a.m. to 5:00 p.m. and the 21st Century Work Group as well as the Data Needs Work Group will meet from 1:00 p.m. to 5:00 p.m. on Tuesday, September 26, 2000. The plenary CHPAC will meet on Wednesday, September 27, 2000 from 9:00 a.m. to 5:00 p.m. with a public comment period at 4:45 p.m. and on Thursday, September 28, 2000 from 9:00 a.m. to 4:30 p.m.

The plenary session will open with introductions and a review of the agenda and objectives for the meeting. Agenda items include highlights of the Office of Children's Health Protection (OCHP) activities and reports from the Work Groups.

Meeting of the Small Community Advisory Subcommittee

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Small Community Advisory Subcommittee will meet on September 28-29, 2000, in Lincoln, NE.

The Small Community Advisory Subcommittee was established by the U.S. Environmental Protection Agency as a standing subcommittee of the Local Government Advisory Committee. The September meeting will focus on State-EPA relations as they are related to small communities and the federal regulatory process.

The Committee will hear comments from the public between 9:00 a.m. and 9:15 a.m. on September 28, 2000. Each individual or organization wishing to address the Committee will be allowed a minimum of three minutes. Please contact the Designated Federal Officer (DFO) at the number listed below to schedule agenda time. Time will be allotted on a first come, first serve basis.

This is an open meeting and all interested persons are invited to attend. Meeting minutes will be available after the meeting and can be obtained by written request from the DFO. Members of the public are requested to call the DFO at the number listed below if planning to attend so that arrangements can be made to comfortably accommodate attendees as much as possible. However, seating will be on a first come, first serve basis.

DATES: The meeting will begin at 9:00 a.m. on Thursday, September 28th and conclude at 5:00 p.m. on the 29th.

ADDRESSES: The meetings will be held at the Cornhusker Hotel located at 333 South 13th Street, Lincoln, NE.

Requests for Minutes and other information can be obtained by writing the DFO at 1200 Pennsylvania Ave., NW (1306A), Washington, DC 20460.

FOR FURTHER INFORMATION CONTACT: The DFO for this Subcommittee is Steven Wilson. He is the point of contact for information concerning any Subcommittee matters and can be reached by calling (202) 564-3646.

Steven Wilson,

Designated Federal Officer, Small Community Advisory Subcommittee.
