DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

Notice of Application Accepted for Filing and Soliciting Motions To Intervene, Protests, and Comments

September 14, 2000.

Take notice that the following hydroelectric application has been filed with the Commission and is available for public inspection:

a. *Type of Application*: Preliminary Permit.

b. *Project No.*: 11586–000.

c. *Date filed*: July 15, 2000.

d. *Applicant*: Town of Telluride, Colorado.

e. *Name of Project*: San Miguel Project.

f. *Location*: On San Miguel River, in San Miguel County, Colorado. The project would utilize no federal lands or facilities.

g. *Filed Pursuant to*: Federal Power Act, 16 U.S.C. §§ 791(a)–825(r).

h. *Applicant Contact*: Ms. Margaret Curran, Town Manager, Town of Telluride, P.O. Box 397, Telluride, Colorado 81435, (970) 728–3071.

i. *FERC Contact*: Robert Bell, (202) 219–2806.

j. *Deadline for filing motions to intervene, protests and comments*: 60 days from the issuance date of this notice.

All documents (original and eight copies) should be filed with: David P. Boergers, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

The Commission's Rules of Practice and Procedure require all interveners filing documents with the Commission to serve a copy of that document on each person in the official service list for the project. Further, if an intervener files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. *Description of Project*: The proposed project would consist of: (1) a 9-foot-high concrete Diversion weir; (2) an impoundment having a surface area of 6 acres with negligible storage and a normal water surface elevation of 8,610 feet msl; (3) a 7,000-foot-long, 54-inch-diameter steel penstock; (4) a powerhouse containing one generating unit with an installed capacity of 4.6 MW; (5) a 150-foot-long 12.5 kV transmission line; and (6) appurtenant facilities.

The project would have an annual generation of 1 GWh that would be sold to a local utility. Please Note that Public Law number 105–212 authorizes the Commission to grant the current licensee of this project an extension providing the record supports it. An extension request is pending before the Commission. If this extension is granted, the license for this project would be reinstated and this preliminary permit application would be denied.

l. A copy of the application is available for inspection and reproduction at the Commission's Public Reference Room, located at 888 First Street, NE., Room 2A, Washington, DC 20426, or by calling (202) 208–1371. The application may be viewed on <http://www.ferc.fed.us/online/rims.htm> (call (202) 208–2222 for assistance). A copy is also available for inspection and reproduction at the address in item h above.

m. Preliminary Permit—Anyone desiring to file a competing application for preliminary permit for a proposed project must submit the competing application itself, or a notice of intent to file such an application, to the Commission on or before the specified comment date for the particular

application (see 18 CFR 4.36). Submission of a timely notice of intent allows an interested person to file the competing preliminary permit application no later than 30 days after the specified comment date for the particular application. A competing preliminary permit application must conform with 18 CFR 4.30(b) and 4.36.

n. Preliminary Permit—Any qualified development applicant desiring to file a competing development application must submit to the Commission, on or before a specified comment date for the particular application, either a competing development application or a notice of intent to file such an application. Submission of a timely notice of intent to file a development application allows an interested person to file the competing application no later than 120 days after the specified comment date for the particular application. A competing license application must conform with 18 CFR 4.30(b) and 4.36.

o. Notice of intent—A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit, if such an application may be filed, either a preliminary permit application or a development application (specify which type of application). A notice of intent must be served on the applicant(s) named in this public notice.

p. Proposed Scope of Studies under Permit—A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

q. Comments, Protests, or Motions to Intervene—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

r. Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title "COMMENTS", "RECOMMENDATIONS FOR TERMS AND CONDITIONS", "PROTEST", OR "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

s. Agency Comments—Federal, state, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

BILLING CODE 6717-01-M

ENVIRONMENTAL PROTECTION AGENCY

[OPP-34203D; FRL-6743-7]

Chlorpyrifos; Receipt of Requests for Amendments, Cancellations, and Notification of Tolerance Revocation and Modifications

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The companies that hold the pesticide registrations of manufacturing-use pesticide products containing chlorpyrifos [O,O-diethyl O-(3,5,6-trichloro-2-pyridinyl)phosphorothioate] have asked EPA to cancel their registrations for these products. In addition, these companies have asked EPA to cancel or amend their registrations for end-use products containing chlorpyrifos. Pursuant to section 6(f)(1) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), EPA is announcing the Agency's receipt of these requests from the registrants. These requests for voluntary cancellation and amendment are the result of a memorandum of agreement signed by EPA and a number of registrants of products containing chlorpyrifos on June 7, 2000, and ancillary agreements signed by other registrants shortly thereafter. Given the potential risks, both dietary and non-dietary, that chlorpyrifos use poses,

especially to children, EPA intends to grant the requested cancellations and amendments to delete uses. EPA also plans to issue a cancellation order for the deleted uses and the canceled registrations at the close of the comment period for this announcement. Upon the issuance of the cancellation order, any distribution, sale, or use of chlorpyrifos products will only be permitted if such distribution, sale, or use is consistent with the terms of that order. In addition, EPA is announcing its intention to revoke the tolerance for chlorpyrifos residues in or on tomatoes and to lower the tolerance for chlorpyrifos residues in or on apples and grapes.

DATES: Comments on the requested amendments to delete uses and the requested registration cancellations must be submitted to the address provided below and identified by docket control number OPP-34203D. Comments must be received on or before October 20, 2000.

ADDRESSES: Comments may be submitted by mail, electronically, or in person. Please follow the detailed instructions for each method as provided in Unit I. of the **SUPPLEMENTARY INFORMATION**. To ensure proper receipt by EPA, it is imperative that you identify docket control number OPP-34203D in the subject line on the first page of your response.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

This action is directed to the public in general. You may be potentially affected by this action if you manufacture, sell, distribute, or use chlorpyrifos products. The Congressional Review Act, 5 U.S.C. 801 *et seq.*, as added by the Small Business Regulatory Enforcement Fairness Act of 1996, does not apply because this action is not a rule, for purposes of 5 U.S.C. 804(3). Since other entities may also be interested, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.
