Certain Preserved Mushrooms From the People's Republic of China: Initiation of New Shipper Antidumping Duty Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce has received a request to conduct a new shipper review of the antidumping duty order on certain preserved mushrooms from the People's Republic of China. In accordance with 19 CFR 351.214(d), we are initiating this review.

EFFECTIVE DATE: October 2, 2000.

FOR FURTHER INFORMATION CONTACT: David J. Goldberger or Kate Johnson, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4136 or (202) 482-4929, respectively.

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department of Commerce (the Department's) regulations are to 19 CFR part 351 (2000).

SUPPLEMENTARY INFORMATION:

Background

The Department has received a timely request from Green Fresh Foods (Zhangzhou) Co., Ltd. (Green Fresh Foods), in accordance with 19 CFR 351.214(c), for a new shipper review of

the antidumping duty order on certain preserved mushrooms from the People's Republic of China (PRC), which has an August semiannual anniversary date. *See Notice of Amendment of Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Certain Preserved Mushrooms from the People's Republic of China*, 64 FR 8308 (February 19, 1999). As required by 19 CFR 351.214(b)(2)(i) and (iii)(A), Green Fresh Foods (the respondent) has certified that it did not export certain preserved mushrooms to the United States during the period of investigation (POI), and that it has never been affiliated with any exporter or producer which exported certain preserved mushrooms during the POI. Green Fresh Foods further certified that its export activities are not controlled by the central government of the PRC, pursuant to 19 CFR 351.214(b)(2)(iii)(B). Pursuant to the Department's regulations at 19 CFR 351.214(b)(2)(iv), Green Fresh Foods submitted documentation establishing the date on which it first shipped the subject merchandise to the United States, the volume of that first shipment, and the date of its first sale to an unaffiliated customer in the United States.

In accordance with section 751(a)(2)(B) of the Act, as amended, and 19 CFR 351.214(b), and based on information on the record, we are initiating the new shipper review as requested.

It is the Department's usual practice in cases involving non-market economies to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide *de jure* and *de facto* evidence of an absence of government control over the company's export activities. *See Certain Preserved Mushrooms from the People's Republic of China: Initiation of New Shipper Antidumping Duty Review*, 65 FR 17257

(March 31, 2000). Accordingly, we will issue a separate rates questionnaire to the above-named respondent. If respondent Green Fresh Foods provides sufficient evidence that it is not subject to either *de jure* or *de facto* government control with respect to its exports of certain preserved mushrooms, this review will proceed. If, on the other hand, Green Fresh Foods does not meet its burden to demonstrate its eligibility for a separate rate, then Green Fresh Foods will be deemed to be affiliated with other companies that exported during the POI and that did not establish entitlement to a separate rate. This review will then be terminated due to failure of the exporter or producer to meet the requirements of section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(iii)(B).

Scope of the Review

The products covered by this review are certain preserved mushrooms whether imported whole, sliced, diced, or as stems and pieces. The preserved

mushrooms covered under this review are the species *Agaricus bisporus* and *Agaricus bitorquis*. "Preserved mushrooms" refer to mushrooms that have been prepared or preserved by cleaning, blanching, and sometimes slicing or cutting. These mushrooms are then packed and heated in containers including but not limited to cans or glass jars in a suitable liquid medium, including but not limited to water, brine, butter or butter sauce. Preserved mushrooms may be imported whole, sliced, diced, or as stems and pieces. Included within the scope of this review are "brined" mushrooms, which are presalted and packed in a heavy salt solution to provisionally preserve them for further processing.

Excluded from the scope of this review are the following: (1) All other species of mushroom, including straw mushrooms; (2) all fresh and chilled mushrooms, including "refrigerated" or "quick blanched mushrooms"; (3) dried mushrooms; (4) frozen mushrooms; and

(5) "marinated," "acidified" or "pickled" mushrooms, which are prepared or preserved by means of vinegar or acetic acid, but may contain oil or other additives.¹

The merchandise subject to this review is classifiable under subheadings 2003.1000.27, 2003.1000.31, 2003.1000.37, 2003.1000.43, 2003.1000.47, 2003.1000.53, and 0711.90.4000 of the Harmonized Tariff Schedule of the United States ("HTS"). Although the HTS subheadings are provided for convenience and Customs purposes, our written description of the scope of this review is dispositive.

Initiation of Review

In accordance with section 751(a)(2)(B)(ii) of the Act and 19 CFR 351.214(d)(1), we are initiating a new shipper review of the antidumping duty order on certain preserved mushrooms from the PRC. We intend to issue the preliminary results of this review within 180 days after initiation.

Antidumping duty proceeding	Period to be reviewed
PRC: Certain Preserved Mushrooms, A-570-851: Green Fresh Foods (Zhangzhou) Co., Ltd.	02/01/2000-07/31/2000

Subject to receipt of an adequate separate rates questionnaire response from the respondent, we will instruct the U.S. Customs Service to allow, at the option of the importer, the posting of a bond or security in lieu of a cash deposit for each entry of the merchandise exported by the above-listed company until the completion of the review. This action is in accordance with 19 CFR 351.214(e) and (j)(3).

Interested parties that need access to the proprietary information in this new shipper review should submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305 and 351.306.

This initiation and this notice are in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)) and 19 CFR 351.214(d).

Dated: September 22, 2000.
