Farm Service Agency

Release of Georgia Tobacco Farmers' Social Security Numbers to the State of Georgia

AGENCY: Farm Service Agency, USDA.

ACTION: Notice of Intent to Release Records and Opportunity to Opt Out of the Release.

SUMMARY: This notice announces the intention of the Secretary of Agriculture to release the social security numbers of those Georgia tobacco farmers who receive Tobacco Loss Assistance Program 2000 (TLAP) payments; and provides notice of the method in which interested parties can opt out of that release. The release will be to the State of Georgia which will distribute an identical sum of State funds to each TLAP 2000 Georgia farmer.

EFFECTIVE DATE: October 6, 2000.

ADDRESSES: Notices should be mailed to Charles Hatcher, Farm Service Agency (FSA), Tobacco and Peanuts Division, STOP 0514, 1400 Independence Avenue, SW, Washington, DC 20250-0514.

FOR FURTHER INFORMATION CONTACT:

Misty L. Jones, telephone (202) 720-0200.

SUPPLEMENTARY INFORMATION: The TLAP 2000 Program is provided for in Section 204(b) of the Agricultural Risk Protection Act of 2000 (ARPA), Public Law 106-224, and is a program in which Federal payments are made to tobacco farmers and other parties with an interest in certain kinds of tobacco which have had reduced quotas. Tobacco farmers who applied for TLAP 2000 payments were required to provide to the Farm Service Agency their social security numbers. The ARPA of 2000, which provided funds for TLAP 2000, contains the following restriction as to the State of Georgia:

The Secretary shall use the amount allocated to the State of Georgia under paragraph (3) to make payments to eligible persons in Georgia only if the State of Georgia agrees to use an equal amount (not to exceed \$13,000,000) to make payments at the same time, or subsequently, to the same eligible persons in the same manner as provided for the Federal payment under paragraphs (4) and (5).

In order to efficiently and expeditiously make the matching payments to Georgia tobacco producers, the State of Georgia has requested that the Farm Service Agency provide the names, addresses, social security numbers, and the amount of money to be paid to each farmer. However, there may be some Georgia tobacco farmers who would rather not have their social security numbers released to the State. Because these matching State payments can provide much needed help to Georgia producers, the Secretary intends to provide the social security numbers to the State of Georgia, except in the

case of those parties who wish to opt out of the release. Those who wish to opt out of the release should send notice in writing of their election to Charles Hatcher, Farm Service Agency, Tobacco and Peanuts Division, STOP 0514, 1400 Independence Avenue, SW, Washington, D.C. 20250-0514. Such notice must be received by October 25, 2000.

Parties should understand that a request for an exemption from the disclosure could result in a delay in receiving a distribution from the State of Georgia or ineligibility for such a distribution. It is not expected that there will be many exemption requests filed. Accordingly, it appears that the record collections can be made at one location for re-routing to the national record center for processing.

Signed at Washington, D.C., on October 3, 2000.

Keith Kelly,

Administrator, Farm Service Agency.

Final Results of Expedited Sunset Review: Ferrovandium and Nitrided Vanadium From Russia

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of expedited sunset review: Ferrovandium and Nitrided Vanadium from Russia.

SUMMARY: On June 5, 2000, the Department of Commerce ("the Department") initiated a sunset review of the antidumping duty order on ferrovanadium and nitrided vanadium from Russia (65 FR 35604) pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). On the basis of a notice of intent to participate and substantive comments filed on behalf of the domestic interested parties and inadequate response from respondent interested parties, Department determined to conduct an expedited sunset review. As a result of this review, the Department finds that revocation of the antidumping order would likely lead to continuation or recurrence of dumping at the levels indicated in the Final Results of Review section of this notice.

EFFECTIVE DATE: October 10, 2000.

SUPPLEMENTARY INFORMATION:

The Applicable Statute and Regulations

This review was conducted pursuant to sections 751(c) and 752 of the Act. The Department's procedures for the conduct of sunset reviews are set forth in Procedures for Conducting Five-Year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders, 63 FR 13516 (March 20, 1998) ("Sunset Regulations") and in 19 CFR Part 351 (2000) in general. Guidance on methodological or analytical issues relevant to the Department's conduct of sunset reviews is set forth in the Department's Policy Bulletin 98:3—Policies Regarding the Conduct of Five-Year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders; Policy Bulletin, 63 FR 18871 (April 16, 1998) ("Sunset Policy Bulletin").

Background

On June 5, 2000, the Department initiated a sunset review of the antidumping order on ferrovanadium and nitrided vanadium from Russia (65 FR 35604), pursuant to section 751(c) of the Act. On June 20, 2000, the Department received a Notice of Intent to Participate within the deadline specified in section 351.218(d)(1)(i) of the Sunset Regulations on behalf of the Ferroalloys Association Vanadium Committee (the "TFA Vanadium Committee") and its members; Bear Metallurgical Corporation, Shieldalloy Metallurgical Corporation ("Shieldalloy"), Gulf Chemical and Metallurgical, Strategic Minerals Corporation, and CS Metals of Louisiana, (collectively "the domestic interested parties"). On July 5, 2000, the Department received a complete substantive response from the domestic interested parties within the 30-day deadline specified in the Sunset Regulations under section 351.218(d)(3)(i).

The TFA Vanadium Committee claimed interested party status under 19 USC 1677(9)(E) as a trade or business association of a majority of whose members manufacture, produce, or wholesale a domestic like product in the United States. As domestic interested parties, the following members of the TFA Vanadium Committee claimed interested party status under 19 USC 1677(9)(C): Bear Metallurgical Corporation, Shieldalloy Metallurgical

Corporation, Gulf Chemical and Metallurgical and Strategic Minerals Corporation.¹ In addition, they identified another member, CS Metals of Louisiana, as an interested party in this sunset review. See Domestic Interested Parties, July 5, 2000, Substantive Response at 2-3.

Bear Metallurgical Corporation and Shieldalloy Metallurgical Corporation assert that they are the only U.S. manufacturers or producers of ferrovanadium. *Id.* at 2. Gulf Chemical and Metallurgical, and Strategic Minerals Corporation assert that they are wholesalers in the United States of domestically-produced ferrovanadium. *Id.* at 2.

With respect to historical participation of this order, the domestic interested parties assert that in 1994, Shieldalloy filed the petition that led to the issuance of the antidumping duty order on ferrovanadium and nitrided vanadium from Russia. In addition, Shieldalloy actively participated in the Department's first administrative review covering the period January 4, 1995, through June 30, 1996. *Id.* at 4-5.

Although Shieldalloy requested an administrative review for one exporter, Galt Alloys, during the period July 1, 1996, through June 30, 1997, the review was terminated because Galt Alloys did not make sales of the subject merchandise between July 1, 1996 and June 30, 1997. *Id.* at 4. The domestic interested parties further assert that Shieldalloy has actively participated in all judicial appeals and remand proceedings related to this order. *Id.* at 5.

On July 5, 2000, the Department received a complete substantive response to the notice on initiation from respondent interested parties; Vanadium Tulachermet ("Tulachermet") and Chusovskoy Metallurgical Works Joint Stock Company ("Chusovskoy") (collectively "the respondent interested parties") within the 30-day deadline specified in the Sunset Regulations under section 351.218(d)(3)(i). The respondent interested parties claimed interested party status under 19 USC 1677(9)(A) as foreign manufacturers of the subject merchandise. With respect to respondent interested parties' historical participation of the order, they assert that they participated in the original investigation by providing factors of production to the Department, although

¹ In its substantive response the domestic interested parties note that Strategic Minerals Corporation sells domestically-produced ferrovanadium in the United States through its wholly-owned subsidiary, U.S. Vanadium Corporation.
