

culturally competent, family-centered systems of care and to provide access to research for those infected or affected by HIV infection. The Title IV program supports a broad variety of interventions in health care delivery that are designed to link clients receiving health care to other essential and supporting services and to clinical research. Grants are

made to public and private non-profit health centers and other appropriate public or non-profit private entities that are linked to a comprehensive health care system. This system includes clinical research for children, youth, and women. The HIV/AIDS Bureau (HAB) within HRSA administers funds for Title IV of the CARE Act.

There are 53 grantees under Title IV's Children, Youth, Women and Families Program, with approximately 125 affiliated service providers, for a total of 178 entities who report information about the clients they serve and the services they provide. Grantees are located in 27 States, Puerto Rico and the District of Columbia.
