AGENCY: Environmental Protection
Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The EPA proposes to grant
interim authorization to The
Commonwealth of Massachusetts for
certain changes to its hazardous waste
program under the Resource
Conservation and Recovery Act (RCRA).
In the "Rules and Regulations" section
of this **Federal Register**, EPA is
authorizing the changes by an
immediate final rule. EPA did not make
a proposal prior to the immediate final
rule because we believe this action is
not controversial and do not expect
comments that oppose it. We have
explained the reasons for this
authorization in the preamble to the
immediate final rule. Unless we get
written comments which oppose this

authorization during the comment
period, the immediate final rule will
become effective on the date it
establishes, and we will not take further
action on this proposal. If we get
comments that oppose this action, we
will withdraw the immediate final rule
and it will not take effect. We will then
respond to public comments in a later
final rule based on this proposal. You
may not have another opportunity for
comment. If you want to comment on
this action, you must do so at this time.

DATES: Send your written comments by
