SUPPLEMENTARY INFORMATION: The Act affords EPA a 45-day period to review, and object to as appropriate, operating permits proposed by state permitting authorities. Section 505(b)(2) of the Act authorizes any person to petition the EPA Administrator within 60 days after the expiration of this review period to object to state operating permits if EPA has not done so. Petitions must be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided by the state, unless the petitioner demonstrates that it was impracticable to raise these issues during the comment period or the grounds for the issues arose after this period. Mobile Bay Watch, Inc., submitted a petition to the Administrator on May 22, 2000, seeking EPA's objection to the operating permit issued to Kerr-McGee Chemicals, LLC. The petitioner maintains that the Kerr-McGee Chemicals operating permit is inconsistent with the Act because the permit fails to: (1) Require adequate periodic monitoring of facility emissions; (2) require the facility to prepare a Risk Management Plan as well as Worst Case Scenario and Planning Case Scenario; and (3) reflect the comments submitted by Mobile Bay Watch during the 30-day draft permit period. Mobile Bay Watch also bases its petition on the following statements: (1) Kerr-McGee requested in its permit application that the number of federally enforceable limitations in the operating

permit be minimized; (2) Kerr-McGee requested in its permit application that the permit include a permit shield; (3) the period between the date of the permit application and the issuance of the draft permit was excessive; and (4) EPA failed to fully review the Kerr-McGee Chemicals permit. On February 1, 2002, the Administrator issued an order denying the petition. The order explains the reasons behind EPA's conclusion that the petitioner has failed to demonstrate that the Kerr-McGee Chemicals permit does not assure compliance with the Act on the grounds raised.

Dated: March 18, 2002.

A. Stanley Meiburg,
Deputy Regional Administrator, Region 4.
