

that these provisions are appropriately tailored to serve the purposes of the Rule so that only those transactions that are more likely to raise risks for retail investors are subject to the Rule, and that those transactions that are less likely to be the subject of fraudulent sales practices are not covered by the Rule.

C. Interaction With Other NASD Rules and Federal Securities Laws

Finally, as noted in the Preliminary Note to the Recommendation Rule, the Commission emphasizes that the requirements of the Rule are in addition to other existing broker-dealer obligations under NASD rules and the federal securities laws, including obligations to determine the suitability of particular securities transactions with customers and to have a reasonable basis for any recommendation made to a customer. The Commission reiterates that the Recommendation Rule is not intended to act or operate as a presumption or as a safe harbor for purposes of determining suitability or for any other legal obligation or requirement imposed under NASD rule or the federal securities laws.

D. Operational Date

The Commission notes that the NASD will announce the operational date of the proposed rule change in a Notice to Members to be published no later than 60 days following the date of approval by the Commission. The operational date will be 30 days following the date of publication of the Notice to Members announcing Commission approval.

IV. Amendment No. 2

The Commission finds good cause for approving Amendment No. 2 prior to the thirtieth day after the date of publication of notice thereof in the **Federal Register**. In Amendment No. 2, the NASD amended NASD Rule 2315(a) to add a category of equity securities that, pursuant to NASD Rule 6530(b)(2), are eligible for quotation on the OTCBB. This change provides that members conducting transactions in securities that are listed on a regional securities exchange, but do not qualify for dissemination of transaction reports via the Consolidated Tape, must comply with the review requirements of the Recommendation Rule if such securities are published or quoted in a quotation medium.

Because securities that are listed on a regional securities exchange but not eligible for the reporting of transactions to the Consolidated Tape are eligible for quotation on the OTCBB, and thus fall within the category of securities

contemplated to be covered by the Recommendation Rule, the Commission believes that it is appropriate for these securities to be covered by the Recommendation Rule.

In Amendment No. 2, the NASD also amended NASD Rule 2315(e)(1)(G)(2) to substitute "NASD" for the reference to "the Association" contained in the Rule. The Commission believes that this is a technical, non-substantive change to the proposal.

In sum, the Commission finds that the NASD's proposed changes in Amendment No. 2 further strengthen and clarify the proposed rule change and raise no new regulatory issues. Further, the Commission believes that Amendment No. 2 does not significantly alter the original proposal, which was subject to a full notice and comment period. Therefore, the Commission finds that granting accelerated approval to Amendment No. 2 is appropriate and consistent with Section 19(b)(2) of the Act.²¹

V. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning Amendment No. 2, including whether the proposed amendment is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed amendment that are filed with the Commission, and all written communications relating to the amendment between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Room. Copies of such filing also will be available for inspection and copying at the principal office of the NASD. All submissions should refer to File No. SR-NASD-99-04 and should be submitted by [insert date 21 days from date of publication].

VI. Conclusion

For all of the aforementioned reasons, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities association.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,²² that the proposed rule change (SR-NASD-99-04), as amended, is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.²³

Deputy Secretary.
