

closer cooperation and assistance in developing, administering, and enforcing Federal and State laws and regulations pertaining to boating safety. Point of Contact: Mr. John Malatak, 202-267-6286.

4. Voluntary Standards Development Support

The Coast Guard seeks a grantee to carry out a program to encourage active participation by members of the public and other qualified persons in the development of technically sound voluntary safety standards for boats and associated equipment. Point of Contact: Mr. Peter Eikenberry, 202-267-6984.

5. Develop and Conduct Boating Accident Seminars

The Coast Guard seeks a grantee to develop, provide instructional material, and conduct training courses nationwide for boating accident investigators, including three courses at the U.S. Coast Guard Reserve Training Center in Yorktown, Virginia. Point of Contact: Mr. Rick Gipe, 202-267-0985.

6. National Estimate of Personal Flotation Devices (PFDs) Wear Rate

The Coast Guard seeks a grantee to develop a statistically valid national estimate and evaluation of wear rates of PFDs by recreational boaters. Wear rate should be determined by actual observation of boaters rather than other means such as surveys. Point of Contact: Mr. Peter Eikenberry, 202-267-6894.

7. Flare Disposal Program

The Coast Guard seeks a grantee to develop a national program for the disposal of flares and pyrotechnic devices required to be carried aboard recreational boats that have surpassed their expiration date. The grantee should thoroughly analyze the problem associated with the disposal of flares and pyrotechnics as hazardous waste, review current methods recommended for their disposal and the effectiveness of each method, and develop a plan for their disposal that can be implemented on a nationwide basis. Point of Contact: Mr. Richard Kanehl, 202-267-0976.

8. Personal Watercraft Accident Analysis

The Coast Guard seeks a grantee to research and analyze personal watercraft accidents attributable to lack of off-throttle steering, develop a valid statistical baseline, and formulate a method to discern and monitor future accident trends. Grantee shall use State data from the Boating Accident Report System. Point of Contact: Mr. Gary Larimer, 202-267-0986.

9. Boating Risk Analysis Information System (BRAINS)

The Coast Guard seeks a grantee to enhance the functionality and update the accident report data used in the Boating Risk Analysis Information System (BRAINS) software application. BRAINS enables analysts to isolate the specific effect of one accident report variable or a group of variables (*i.e.*, alcohol use, type of boat, PFD wear) on the outcome of an accident scenario. BRAINS serves as a decision support system using data captured by the BARD system and is a valuable tool to better target accident prevention efforts. A BRAINS Web site enables customers to use an Internet version or download a full-blown version of the software. In addition to updating the accident report data used in BRAINS, the grantee shall improve the functionality of the application in a Windows environment as well as the charting and reporting capabilities. Point of Contact: Mr. Bruce Schmidt, 202-267-0955.

10. Recreational Boating Study/Survey Analysis

The Coast Guard seeks a grantee to research and analyze past, current, and ongoing recreational boating studies/surveys/data collection efforts conducted by national organizations, universities, Federal and State agencies, and others. The results are to be cataloged in a master bibliography with a brief synopsis of each study/survey and indexed by topic and by entity conducting the study/survey. This information will then be used to determine deficiencies in recreational boating research, to identify opportunities for collective planning for future surveys/studies/data collection initiatives, and to strive to create uniform definitions for boating-related terms and concepts. This effort should utilize a task force in partnership with key stakeholder groups and the academic community. Point of Contact: Mr. Bruce Schmidt, 202-267-0955.

Potential grantees should focus on partnership, *i.e.*, exploring other sources, linkages, in-kind contributions, cost sharing, and partnering with other organizations or corporations. We encourage proposals addressing other boating safety concerns.

The Boating Safety Financial Assistance Program is listed in section 20.005 of the Catalog of Federal Domestic Assistance.

Dated: September 25, 2002.

National Highway Traffic Safety Administration

[U.S. DOT Docket Number NHTSA-2002-13387]

Reports, Forms, and Record Keeping Requirements

AGENCY: National Highway Traffic Safety Administration (NHTSA), Department of Transportation.

ACTION: Request for public comment on proposed collection of information.

SUMMARY: Before a Federal agency can collect certain information from the public, it must receive approval from the Office of Management and Budget (OMB). Under procedures established by the Paperwork Reduction Act of 1995, before seeking OMB approval, Federal agencies must solicit public comment on proposed collections of information, including extensions and reinstatement of previously approved collections.

This document describes one collection of information for which NHTSA intends to seek OMB approval.

DATES: Comments must be received on or before December 2, 2002.

ADDRESSES: Comments must refer to the docket notice numbers cited at the beginning of this notice and be submitted to Docket Management, Room PL-401, 400 Seventh Street, SW., Washington, DC 20590. Please identify the proposed collection of information for which a comment is provided, by referencing its OMB clearance number. It is requested, but not required, that 2 copies of the comment be provided. The Docket Section is open on weekdays from 10 a.m. to 5 p.m.

FOR FURTHER INFORMATION CONTACT:

Luke Loy, Office of Safety Assurance, (NVS-233), Room 6115, 400 Seventh Street, SW., Washington, DC 20590. Mr. Loy's telephone number is (202) 366-5308. Please identify the relevant collection of information by referring to its OMB Control Number.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995, before an agency submits a proposed collection of information to OMB for approval, it must first publish a document in the **Federal Register** providing a 60-day comment period and otherwise consult with members of the public and affected agencies concerning each proposed collection of information. The OMB has promulgated regulations describing what must be included in such a document. Under OMB's regulation (at 5 CFR 1320.8(d), an
