DEPARTMENT OF THE TREASURY

Departmental Offices; Debt Management Advisory Committee Meeting

Notice is hereby given, pursuant to 5 U.S.C. App. 2, 10(a)(2), that a meeting will be held at the U.S. Treasury Department, 15th and Pennsylvania Avenue, NW., Washington, DC, on April 29, 2003, of the following debt management advisory committee: The Bond Market Association, Treasury Borrowing Advisory Committee.

The agenda for the meeting provides for a technical background briefing by Treasury staff, followed by a charge by the Secretary of the Treasury or his designate that the Committee discuss particular issues, and a working session. Following the working session, the Committee will present a written report of its recommendations.

The background briefing by Treasury staff will be held at 9 a.m. eastern time and will be open to the public. The remaining sessions and the committee's reporting session will be closed to the public, pursuant to 5 U.S.C. App. 2, 10(d) and Pub. L. 103-202, 202(c)(1)(B) (31 U.S.C. 3121 note).

This notice shall constitute my determination, pursuant to the authority placed in heads of departments by 5 U.S.C. App. 2, 10(d) and vested in me by Treasury Department Order No. 101-05, that the closed portions of the meeting are concerned with discussions of the issues presented to the Committee by the Secretary and recommendations of the Committee to the Secretary, pursuant to Pub. L. 103-202, 202(c)(1)(B). Thus, this information is exempt from disclosure under that provision and 5 U.S.C. 552b(c)(3)(B). In addition, the closed portions of the meeting are concerned with information that is exempt from disclosure under 5 U.S.C. 552b(c)(9)(A). The public interest requires that such meetings be closed to the public because the Treasury Department requires frank and full advice from representatives of the financial community prior to making its final decision on major financing operations. Historically, this advice has been offered by debt management advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. App. 2, 3.

Although the Treasury's final announcement of financing plans may not reflect the recommendations provided in reports of the advisory committee, premature disclosure of the

committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, these meetings fall within the exemption covered by 5 U.S.C. 552b(c)(9)(A).

The Office of Financial Markets is responsible for maintaining records of debt management advisory committee meetings and for providing annual reports setting forth a summary of committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552b. The Designated Federal Officer or other responsible agency official who may be contacted for additional information is Tim Bitsberger, Deputy Assistant Secretary, Federal Finance, at 202-622-2245.

Dated: April 7, 2003.

Brian C. Roseboro,

Assistant Secretary, Financial Markets.

SUPPLEMENTARY INFORMATION:

Title: IRS Taxpayer Advocate Benchmark Survey, Focus Group and Telephone Interview.

OMB Number: To be assigned later.

Abstract: In September 2002, the Taxpayer Advocate Service (TAS) completed an extensive one-year research program that identified its target audience far more definitively. The research program showed that the actual target was much broader and included a wide mix of different life

circumstances—ranging from Affluent Families and Empty Nesters at the higher end of the income scale, to the Stable Middle Class in the center, to Surviving Spouses, Struggling Young Families, and Unmarried Poor at the lower end of the income scale. The research also showed that Small Business Owners are an important element of the target audience, while Non-English speaking Taxpayers are not as important as had been believed (with the latter segment being no more prevalent in the TAS target audience than in the Total Taxpayer audience). TAS is planning communications to the Underserveds, with a focus on four key segments of the Underserved audience—Surviving Spouses, Struggling Young Families, Unmarried Poor, and Small Business Owners. It is necessary to conduct a marketing research effort to guide development of new communications and track their impact, while continuing the tracking of the target audience that is a part of the overall research strategy of TAS.
