[Program Announcement 03002]

Public Health Conference Support Cooperative Agreement Program for Human Immunodeficiency Virus Prevention; Notice of Availability of Funds

A. Authority and Catalog of Federal Domestic Assistance Number

This program is authorized under the Public Health Service Act, section 301(a), 42 U.S.C. 241(a), as amended and section 317(a), 42 U.S.C. 247b(a), as amended. The Catalog of Federal Domestic Assistance number is 93.941.

B. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 2003 funds for a cooperative agreement program for Public Health Conference Support for Human Immunodeficiency Virus (HIV) Prevention. This program addresses the Healthy People 2010 focus area of HIV.

The purpose of this program is to provide partial support for specific non-Federal conferences in the areas of health promotion and disease prevention information/education programs. Because conference support by CDC creates the appearance of CDC co-sponsorship, there will be active participation by CDC in the development and approval of those portions of the agenda supported by CDC funds. In addition, CDC reserves the right to approve or reject the content of the full agenda, press events, promotional materials (including press releases), speaker selection, and site selection. CDC funds will not be used for portions of meetings that are not approved.

Measurable outcomes of the program will be in alignment with one or more of the following performance goals for the National Center for HIV, Sexually Transmitted Diseases (STD) and Tuberculosis (TB) Prevention: Strengthen the capacity nationwide to monitor the epidemic, develop and implement effective HIV prevention

interventions and evaluate prevention programs.

Letters of Intent and applications may be submitted by:

The page limitation must be observed or the LOI will be returned without review.

CDC will review each LOI and determine who can submit a full application. CDC will invite applicants to submit their full applications within 30 days after the LOI due date.

Availability of funds may limit the number of applicants, regardless of merit, who receive an invitation to submit an application.

Applicants must submit an original and two copies of a two-page typewritten LOI that briefly provides the following information:
