

above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

Review Process

Proposals will be deemed ineligible if they do not fully adhere to the guidelines stated herein and in the Solicitation Package. The program office, the Public Diplomacy section and other elements at the U.S. Embassy in Beijing, and officials at the U.S. Consulate in Chengdu, will review all eligible proposals. Eligible proposals will be subject to compliance with Federal and Bureau regulations and guidelines and forwarded to Bureau grant panels for advisory review. Proposals may also be reviewed by the Office of the Legal Adviser or by other Department elements. Final funding decisions are at the discretion of the Department of State's Assistant Secretary for Educational and Cultural Affairs. Final technical authority for grants resides with the Bureau's Grants Officer.

Review Criteria

Technically eligible applications will be competitively reviewed according to the criteria stated below. These criteria are not rank ordered and all carry equal weight in the proposal evaluation:

1. *Program planning to achieve program objectives:* Proposals should clearly demonstrate how the institution plans to achieve the program's objectives. Objectives should be reasonable, feasible, and flexible. The proposal should contain a detailed agenda and relevant work plan that demonstrates substantive undertakings and logistical capacity. Agenda and plan should adhere to the program overview and guidelines described above.

2. *Institutional Capacity/Record/Ability:* Proposed personnel and institutional resources should be adequate and appropriate to achieve the program or project's goals. For technical projects, foreign experts and their local partners will be required to have the necessary education, training and experience for the work to be undertaken, in addition to language skills where applicable. Proposals should demonstrate an institutional record of successful development or exchange programs, including responsible fiscal management and full compliance with all reporting requirements for past Bureau grants as determined by Bureau Grant Staff. The Bureau will consider the past performance of prior recipients and the demonstrated potential of new

applicants. Applicants should have a multiyear track record of successful work in Tibetan regions of China or other remote parts of Asia.

3. *Multiplier Effect/Impact:* Proposed programs should strengthen long-term mutual understanding, including maximum sharing of information and establishment of long-term institutional and individual linkages.

4. *Support of Diversity:* Proposals should demonstrate substantive support of the Bureau's policy on diversity. Achievable and relevant features should be cited in both program administration (selection of participants, program venue and program evaluation) and program content (orientation and wrap-up sessions, program meetings, resource materials and follow-up activities).

5. *Follow-on Activities:* Proposals should provide a plan for continued follow-on activity (without Bureau support) ensuring that Bureau supported programs are not isolated events.

6. *Monitoring and Project Evaluation Plan:* Proposals should provide a detailed plan for monitoring and evaluating the program. The evaluation plan should identify anticipated outcomes and performance requirements clearly related to program objectives and activities and include procedures for ongoing monitoring and corrective action when necessary. The identification of best practices relating to project administration is also encouraged, as is the discussion of unforeseen difficulties.

7. *Cost-effectiveness/Cost-sharing:* The overhead and administrative components of the proposal, including salaries and honoraria, should be kept as low as possible. All other items should be necessary and appropriate. Proposals must provide 30% cost sharing (of the amount of grant funds requested from ECA) through other private sector support as well as institutional direct funding contributions.

Authority

Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries * * *; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other

nations * * * and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world."

Notice

The terms and conditions published in this RFGP are binding and may not be modified by any Bureau representative. Explanatory information provided by the Bureau that contradicts published language will not be binding. Issuance of the RFGP does not constitute an award commitment on the part of the Government. The Bureau reserves the right to reduce, revise, or increase proposal budgets in accordance with the needs of the program and the availability of funds. Notification

Final awards cannot be made until funds have been appropriated by Congress, allocated and committed through internal Bureau procedures.

BILLING CODE 4915-00-P

DEPARTMENT OF TRANSPORTATION

Surface Transportation Board

[STB Finance Docket No. 34329]

Watco Companies, Inc.—Continuance in Control Exemption—Pennsylvania Southwestern Railroad, Inc.

Watco Companies, Inc. (Watco), a noncarrier, has filed a verified notice of exemption to continue in control of Pennsylvania Southwestern Railroad, Inc. (PSWR), upon PSWR's becoming a Class III railroad.

The transaction was expected to be consummated on or after April 1, 2003, the effective date of the exemption (7 days after the notice was filed).

This transaction is related to the concurrently filed verified notice of exemption in STB Finance Docket No. 34328, *Pennsylvania Southwestern Railroad, Inc.—Lease and Operation Exemption—Steel, LLC*, wherein PSWR seeks to lease and operate approximately 10.5 miles of rail line currently owned by J&L Specialty Steel, LLC.

At the time it filed this notice, Watco controlled six Class III railroads: the South Kansas and Oklahoma Railroad Company; Palouse River & Coulee City Railroad, Inc.; the Timber Rock Railroad, Inc.; the Stillwater Central Railroad; the Eastern Idaho Railroad, Inc.; and the Kansas & Oklahoma

Railroad, Inc., operating in the states of Colorado, Idaho, Kansas, Louisiana, Missouri, Oklahoma, Oregon, Texas and Washington.

Applicants state that: (1) The railroads do not connect with each other or any railroad in their corporate family; (2) the continuance in control is not part of a series of anticipated transactions that would connect the seven railroads with each other or any railroad in their corporate family; and (3) the transaction does not involve a Class I carrier. Therefore, the transaction is exempt from the prior approval requirements of 49 U.S.C. 11323. See 49 CFR 1180.2(d)(2). The purpose of the transaction is to enable Watco to reduce overhead expenses; coordinate billing, maintenance, mechanical and personnel policies and practices of its rail carrier subsidiaries; and improve the overall efficiency of rail service provided by the seven railroads.

Under 49 U.S.C. 10502(g), the Board may not use its exemption authority to relieve a rail carrier of its statutory obligation to protect the interests of its employees. Section 11326(c), however, does not provide for labor protection for transactions under sections 11324-25 that involve only Class III rail carriers. Because this transaction involves Class III rail carriers only, the Board, under the statute, may not impose labor protective conditions for this transaction.

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502 (d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 34329, must be filed with the Surface Transportation Board, 1925 K Street, NW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on: Karl Morrell, Of Counsel, Ball Janik LLP, 1455 F Street, NW., Suite 225, Washington, DC 20005.
