Background

On July 2, 2001, the Department published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on SSSS from Italy. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 66 FR 34910 (July 2, 2001). On July 31, 2001, domestic industry parties from the original investigation ("petitioners"), ThyssenKrupp Acciai Speciali Terni S.p.A. ("TKAST")¹, a producer and exporter of subject merchandise, and ThyssenKrupp AST USA, Inc. ("TKAST USA"), requested that the Department conduct an administrative review of the antidumping duty order. On August 20, 2001, the Department initiated an administrative review of the antidumping duty order on SSSS from Italy with regard to TKAST. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 66 FR 43570 (August 20, 2001). On March 5, 2002, the Department extended the time limit for the preliminary results of this administrative review by 90 days. *See Notice of Extension of Time Limit of the Preliminary Results of Antidumping Duty Administrative Review: Stainless Steel Sheet and Strip in Coils from Italy*, 67 FR 9960 (March 5, 2002). On May 13, 2002, we again extended the preliminary results of administrative review, this time by 25 days. *See Notice of Extension of Time Limit of the Preliminary Results of Antidumping Duty Administrative Review: Stainless Steel Sheet and Strip in Coils from Italy*,

¹ On January 18, 2002 Acciai Speciali Terni S.p.A.'s shareholders voted to change the company's name to ThyssenKrupp Acciai Speciali Terni S.p.A. On February 27, 2002, Acciai Speciali Terni USA, Inc. became ThyssenKrupp AST USA, Inc. Throughout most of the responses, the companies refer to themselves as TKAST and TKAST USA, respectively.

67 FR 32015 (May 13, 2002). On July 26, 2002, the Department extended the time limit for the preliminary results in this administrative review another five days. *See Notice of Extension of Time Limit of the Preliminary Results of Antidumping Duty Administrative Review: Stainless Steel Sheet and Strip in Coils from Italy*, 67 FR 50421 (August 2, 2002).

On August 7, 2002 we issued our preliminary results of administrative review. *See Preliminary Results of Antidumping Duty Administrative Review: Stainless Steel Sheet and Strip in Coils from Italy*, 67 FR 51224 (August 7, 2002). On December 10, 2002, the Department extended the time limit for the final results to January 14, 2003. *See Stainless Steel Sheet and Strip in Coils from Italy: Extension of Time Limit of Final Results of Antidumping Duty Administrative Review*, 67 FR 75846 (December 10, 2002). The final results of administrative review are currently due January 14, 2003.

Extension of Time Limit of Final Results

Section 751(a)(3)(A) of the Act states that if it is not practicable to complete the review within the time specified, the administering authority may extend the 120-day period, following the date of publication of the preliminary results, to issue its final results by 60 days. Since the Department has already extended these final results 40 days, the Department is allowed to further extend the final results by an additional 20 days. Completion of the final results of this review within the 120-day period is not practicable for the following reasons:

- The review involves a large number of transactions and complex adjustments.
- The review includes complex sales and cost issues which require the Department to analyze a significant amount of information pertaining to sales practices, manufacturing costs and corporate relationships.
- The review requires the Department to issue for comment from interested parties a Department decision concerning the relationship between certain selling agents and their employer Ken-Mac Metals, Inc.

Therefore, in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the final results of review by 20 days until February 3, 2003.

Dated: January 8, 2003.

Edward C. Yang,

Acting Deputy Assistant Secretary for Import Administration, Group III.

L. 105-261.

SUPPLEMENTARY INFORMATION: The APAC was originally established pursuant to the Fair Trade in Auto Parts Act of 1988, sections 2121 to 2125 of Public Law 100-418, to advise the Secretary of Commerce on issues related to sales of U.S.-made auto parts to Japanese markets. The Committee was reauthorized by the Fair Trade in Auto Parts Act of 1998, sections 3803 and 3804 of Pub. L. 105-261, to advise the

Secretary of Commerce on issues related to sales of U.S.-made auto parts in Japanese and other Asian markets. The APAC functions as an advisory committee in accordance with the Federal Advisory Committee Act, 15 U.S.C. App. 2 and Department of Commerce policies on advisory committees.

The Office of Automotive Affairs is accepting applications for private sector members to begin serving after the Committee's charter is renewed, which is expected to be in late January 2003. An existing member may be reappointed only if he or she has reapplied and has been accepted through the normal recruitment and selection process. An existing member may reapply for membership by submitting a letter requesting that he or she be considered for a membership position, and any supplemental information necessary to update his or her previous application for membership. Secondary selection criteria will ensure that the committee has a balanced representation of the auto parts industry in terms of point of view, demographics, geography and company size. APAC members are selected on the basis of their experience and knowledge of conditions and problems in automotive parts markets. Members will serve at the discretion of the Secretary.

Private sector members will serve in a representative capacity presenting the views and interests of the particular automotive sector in which they operate.
