14 CFR Part 71

[Docket No. FAA-2003-15074; Airspace Docket No. 03-ACE-42]

Modification of Class E Airspace; Cedar Rapids, IA

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Direct final rule; request for comments.

SUMMARY: An examination of controlled airspace for Cedar Rapids, IA revealed a discrepancy in the Cedar Rapids, The Eastern Iowa Airport, IA airport reference point. This action corrects the discrepancy by modifying the Cedar Rapids, IA Class E airspace areas and by incorporating the change into the Class E airspace legal descriptions. For continuity, it also modifies the legal description title of the Class E surface area at Cedar Rapids, IA.

DATES: This direct final rule is effective on 0901 UTC, September 4, 2003. Comments for inclusion in the Rules Docket must be received on or before June 25, 2003.

ADDRESSES: Send comments on this proposal to the Docket Management System, U.S. Department of Transportation, Room Plaza 401, 400 Seventh Street, SW., Washington, DC 20590-0001. You must identify the docket number FAA-2003-15074/Airspace Docket No. 03-ACE-42, at the beginning of your comments. You may also submit comments on the Internet at <http://dms.dot.gov>. You may review the public docket containing the proposal,

any comments received, and any final disposition in person in the Dockets Office between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The Docket Office (telephone 1-800-647-5527) is on the plaza level of the Department of Transportation NASSIF Building at the above address.

SUPPLEMENTARY INFORMATION:

An examination of controlled airspace for Cedar Rapids, IA revealed a discrepancy in the Cedar Rapids, The Eastern Iowa Airport, IA airport reference point. This amendment to 14 CFR part 71 modifies the legal description of the Class E airspace designated as a surface area at Cedar Rapids, IA by incorporating the revised airport reference point and, for continuity, by modifying the title of this airspace area to agree with other Class E airspace at Cedar Rapids, IA. This amendment also modifies Cedar Rapids, IA Class E airspace area extending upward from 700 feet above the surface and its legal description by incorporating the revised The Eastern Iowa Airport airport reference point. This action brings the legal descriptions of both Cedar Rapids, IA Class E airspace areas into compliance with FAA Order 7400.2E, Procedures for Handling Airspace Matters. The areas will be depicted on appropriate aeronautical charts. Class E airspace designated as surface areas are published in paragraph 6002 of FAA Order 7400.9K, dated August 30, 2002, and effective September 16, 2002, which is incorporated by reference in 14 CFR 71.1. Class E airspace areas extending upward from 700 feet or more above the surface of the earth are published in paragraph 6005 of the same FAA Order. The Class E airspace designations listed in this document will be published subsequently in the Order.

The Direct Final Rule Procedure

The FAA anticipates that this regulation will not result in adverse or negative comment and, therefore, is issuing it as a direct final rule. Previous actions of this nature have not been controversial and have not resulted in adverse comments or objections. Unless a written adverse or negative comment, or a written notice of intent to submit an adverse or negative comment is received within the comment period, the regulation will become effective on the date specified above. After the close

of the comment period, the FAA will publish a document in the **Federal Register** indicating that no adverse or negative comments were received and confirming the date on which the final rule will become effective. If the FAA does receive, within the comment period, an adverse or negative comment, or written notice of intent to submit such a comment, a document withdrawing the direct final rule will be published in the **Federal Register**, and a notice of proposed rulemaking may be published with a new comment period.

Comments Invited

Interested parties are invited to participate in this rulemaking by submitting such written data, views, or arguments, as they may desire. Comments that provide the factual basis supporting the views and suggestions presented are particularly helpful in developing reasoned regulatory decisions on the proposal. Comments are specifically invited on the overall regulatory, aeronautical, economic, environmental, and energy-related aspects of the proposal. Communications should identify both docket numbers and be submitted in triplicate to the address listed above. Commenters wishing the FAA to acknowledge receipt of their comments on this notice must submit with those comments a self-addressed, stamped postcard on which the following statement is made: "Comments to Docket No. FAA-2003-15074/Airspace Docket No. 03-ACE-42." The postcard will be date/time stamped and returned to the commenter.

Agency Findings

The regulations adopted herein will not have a substantial direct effect on the States, on the relationship between the national Government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, it is determined that this final rule does not have federalism implications under Executive Order 13132.

The FAA has determined that this regulation is noncontroversial and unlikely to result in adverse or negative comments. For the reasons discussed in the preamble, I certify that this regulation (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under Department of Transportation (DOT) Regulatory Policies and Procedures (44 FR 11034, February 26, 1979); and (3) if promulgated, will not have a significant economic impact, positive or negative, on a substantial number of small entities

under the criteria of the Regulatory Flexibility Act.
