SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-47799; File No. SR-Phlx-2003-28]

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change by the Philadelphia Stock Exchange, Inc. To Retroactively Apply Its Broker-Dealer Transaction Fee for Equity Option Transactions for the Period From April 1, 2003 to April 10, 2003

May 6, 2003.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (Act or Exchange Act),¹ and rule 19b-4 thereunder,² notice is hereby given that on April 28, 2003, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in items I, II, and III below, which items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its schedule of dues, fees and charges to apply the following reduced broker-dealer transaction fee for block equity option transactions retroactively to equity options transactions settling from April 1, 2003, to April 10, 2003: Broker/Dealer³ (non-AUTO-X)

Up to 2,000 contracts	\$0.35 per contract
Between 2,001 and 3,000 contracts.	\$0.25 per contract (for all contracts)
Residual above 3,000 contracts.	\$0.20 per contract above 3,000 contracts (with the first 3,000 contracts charged \$0.25 per contract)

This fee is applied per transaction (not per month).⁴ This revised fee became effective for trades settling on or after April 11, 2003. The Exchange now proposes to implement this fee on transactions that have settled from April 1, 2003, to April 10, 2003.⁵ All other equity option transaction charges will remain unchanged. The text of the proposed rule change is available upon request from the Office of the Secretary, the Commission, and the Exchange.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On April 11, 2003, the Exchange filed a proposed rule change that amended its schedule of dues, fees and charges to adopt decreases in its broker-dealer transaction fee for equity option transactions.⁶ This fee change became effective for transactions settling on or after April 11, 2003. This current proposal seeks to apply these decreases to the broker-dealer transaction fee to transactions that settled from April 1, 2003, to April 10, 2003.⁷ The purpose of

the proposed rule change is to provide equivalent fee decreases to those broker-dealers whose transactions would have qualified for discounted broker-dealer transaction fees during the above-referenced ten-day period.

This proposal seeks to apply the current transaction levels set forth above per to applicable broker-dealer transactions for trades settling from April 1, 2003, to April 10, 2003. For example, under the proposal (i) a transaction of 1,700 option contracts will be charged \$0.35 per contract, (ii) a transaction of 2,500 contracts will be charged \$0.25 per contract for all contracts, and (iii) a transaction of 3,500 contracts will be charged \$0.25 for each of the first 3,000 contracts and \$0.20 for each of the remaining 500 contracts.⁸

2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of dues, fees and charges is consistent with section 6(b) of the Act⁹ in general, and furthers the objectives of section 6(b)(4) of the Act¹⁰ in particular, in that it is an equitable allocation of reasonable dues, fees, and other charges among Exchange members. The Exchange believes the proposal is reasonable and equitable because it applies the same fee decreases for broker-dealers executing equity options transactions on the Exchange settling from April 1, 2003, to April 10, 2003, as those applicable to broker-dealers whose transactions settle on or after April 11, 2003.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Phlx does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding, or

transactions that would have qualified for the lower "block" broker-dealer transaction fee.

⁸ Of course, the contra-side to a transaction may also be subject to transaction and other charges.

³ This charge applies to members for transactions, received from other than the floor of the Exchange, for any account (i) in which the holder of beneficial interest is a member or non-member broker-dealer or (ii) in which the holder of beneficial interest is a person associated with or employed by a member or non-member broker-dealer. This includes transactions for the account of an ROT entered from off-floor.

⁴ Member organizations may need to file a form with the Exchange to identify eligible block trades.

⁵ This fee will continue to be eligible for the monthly credit of up to \$1,000 to be applied against certain fees, dues and charges and other amounts owed to the Exchange by certain members. See Securities Exchange Act Release No. 44292 (May 11, 2001), 66 FR 27715 (May 28, 2001)(SR-Phlx-2002-32).

(ii) as to which the Exchange consents, the Commission will:

A. By order approve such proposed rule change; or

B. Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Exchange.
