If the present classification of each of these species is not consistent with the best scientific and commercial information available, we may, at the conclusion of these reviews, initiate a separate action to propose changes to the List of Endangered and Threatened Wildlife and Plants (List) accordingly.

DATES: To allow us adequate time to conduct these reviews, we must receive your information no later than August 20, 2003. We want to emphasize that the timely submission of information is critical to ensure its use in these 5-year reviews.

ADDRESSES: Submit information to the Field Office Supervisor, Attention Owl and Murrelet 5-year Review, Oregon Fish and Wildlife Office, 2600 SE. 98th Avenue, Suite 100, Portland, Oregon 97266. The purpose of a 5-year review is to ensure that the classification of a species as threatened or endangered on the List is accurate. The 5-year review is an assessment of the best scientific and commercial data available at the time of the review that has become available since the species' original listing or its most recent status or 5-year review.

On April 21, 2003, we announced in a **Federal Register** notice (68 FR 19569) that we are commencing 5-year reviews of the marbled murrelet (*Brachyramphus marmoratus*) and the northern spotted
