Portland Natural Gas Transmission System; Notice of Compliance Filing

September 17, 2003.

Take notice that on September 15, 2003, Portland Natural Gas Transmission System (PNGTS) tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1, the following revised tariff sheets to become effective on July 1, 2003:

Second Revised Sheet No. 357.

Second Substitute Fourth Revised Sheet No. 380.

PNGTS states that its filing is submitted in compliance with the Commission's September 4, 2003 order in this proceeding, which accepted, subject to minor revisions, tariff sheets filed by PNGTS on July 7, 2003 in accordance with the Commission's June 27, 2003 order in this docket, and with Order No. 587-R. Order No. 587-R required pipelines to revise their tariffs to incorporate by reference Version 1.6 of the consensus standards promulgated by the North American Standards Board Wholesale Gas Quadrant (WGQ) and the

WGQ standards for partial day recalls of capacity release transactions. PNGTS states that in accordance with the September 4, 2003 Order, PNGTS is correcting certain designations of the WGQ standards and recommendations that are being incorporated into the tariff.

PNGTS states that copies of this filing are being served on all jurisdictional customers, interested state commissions, and parties listed on the Commission's service list in this proceeding.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with § 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Southern Star Central Gas Pipeline, Inc.; Notice of Application

September 17, 2003.

Take notice that on September 12, 2003, Southern Star Central Gas Pipeline, Inc. (Southern Star), filed an application pursuant to Section 7(c) of the Natural Gas Act (NGA) for a certificate of public convenience and necessity to convert its existing pipeline and compression facilities extending from Lone Jack, Missouri, to St. Peters, Missouri, from Natural Gas Policy Act (NGPA) Section 311 authority to NGA Section 7 authority, all as more fully set forth in the application which is on file

with the Commission and open to public inspection.

Southern Star states that the NGA Section 311 facilities to be converted to NGA Section 7 authority currently serve Laclede Gas Company (Laclede) in its service areas west of St. Louis, Missouri, but also interconnect with other Southern Star NGA Section 7 facilities that provide additional firm transportation service to all customers north of Southern Star's Concordia station.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed on or before the date as indicated below. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Steuben Gas Storage Company; Notice of Compliance Filing

September 17, 2003.

Take notice that on September 12, 2003, Steuben Gas Storage Company (Steuben), tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1, Substitute Fifth Revised Sheet

No. 13 and Second Sub Tenth Revised Sheet No. 154, with an effective date of July 1, 2003.

Steuben states that these tariff sheets are being filed in compliance with the Commission's Letter Order dated September 4, 2003, requiring Steuben, as part of its Order 587-R Compliance Filing, to specify the recall quantity in terms of either "total released capacity entitlements" or "adjusted total released capacity entitlements based upon the elapsed Prorata Capacity" pursuant to WGQ Standard 5.3.55. Steuben has removed this standard from the reference list, and opted for the latter terminology to be included verbatim in its tariff.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with § 385.211 of the Commission's Rules and Regulations.
