[DFARS Case 2002–D031]

Defense Federal Acquisition Regulation Supplement; Emergency Acquisitions in Regions Subject to Economic Sanctions

AGENCY: Department of Defense (DoD).

ACTION: Final rule.

SUMMARY: DoD has issued a final rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to authorize DoD personnel to make emergency acquisitions in direct support of U.S. or allied forces deployed in military contingency, humanitarian, or peacekeeping operations in a country or region subject to economic sanctions.

EFFECTIVE DATE: February 14, 2003.

FOR FURTHER INFORMATION CONTACT: Ms. Amy Williams, Defense Acquisition Regulations Council, OUSD(AT&L)DPAP(DAR), IMD 3C132, 3062 Defense Pentagon, Washington, DC 20301–3062. Telephone (703) 602–0328; facsimile (703) 602–0350. Please cite DFARS Case 2002–D031.

SUPPLEMENTARY INFORMATION:

A. Background

Section 25.701 of the Federal Acquisition Regulation prohibits the acquisition of supplies or services from sources in countries or regions subject to economic sanctions. On October 1, 2002, the Department of the Treasury, Office of Foreign Assets Control, issued DoD a license authorizing emergency acquisitions in direct support of U.S. or allied forces deployed in military contingency, humanitarian, or peacekeeping operations in a country or region subject to economic sanctions. This DFARS rule implements that license.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

This rule will not have a significant cost or administrative impact on contractors or offerors, or a significant effect beyond the internal operating

procedures of DoD. Therefore, publication for public comment is not required. However, DoD will consider comments from small entities concerning the affected DFARS subpart in accordance with 5 U.S.C. 610. Such comments should cite DFARS Case 2002–D031.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

ACTION: Interim rule with request for comments.

SUMMARY: DOD has issued an interim rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to implement Section 8136 of the Defense Appropriations Act for Fiscal Year 2003. Section 8136 requires the acquisition of domestic fish,

SUPPLEMENTARY INFORMATION:

A. Background

This interim rule relates to application of the Berry Amendment (10 U.S.C. 2533a), which requires the acquisition of certain items from domestic sources. The Berry Amendment restriction on food is implemented in the DFARS at 225.7002 and in the clause at 252.225–7012, Preference for Certain Domestic Commodities. DoD generally must buy foods grown or produced in the United States (DFARS 225.7002–1(a)(1)), but there is an exception for the acquisition of foods manufactured or processed in the United States, regardless of where the foods (and any component if applicable) were grown or produced (10 U.S.C. 2533a(f); DFARS 225.7002–2(j)).

Section 8136 of the Defense Appropriations Act for Fiscal Year 2003 (Pub. L. 107–248) makes the exception at 10 U.S.C. 2533a(f) inapplicable to fish, shellfish, and seafood products. Section 8136 is also specifically applicable to contracts and subcontracts for the procurement of commercial items.

Therefore, this interim rule revises DFARS 225.7002–2(j) and 252.225–7012(c)(3) to require the application of

domestic source requirements to fish, shellfish, and seafood manufactured or processed in the United States, and fish, shellfish, and seafood contained in foods manufactured or processed in the United States.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

This rule may have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* DOD has prepared an Initial Regulatory Flexibility Analysis, which is summarized as follows:

This interim rule amends the DFARS to implement section 8136 of the Defense Appropriations Act for Fiscal Year 2003. Section 8136 makes 10 U.S.C. 2533a(f) inapplicable to fish, shellfish, and seafood products. 10 U.S.C. 2533a(f) is an exception to domestic source requirements for foods manufactured or processed in the United States. The objective of the rule is to prohibit DoD acquisition of foreign fish, shellfish, and seafood, even if processed or manufactured in the United States. The rule will apply to all suppliers, processors, and manufacturers of seafood products sold to DoD. The rule should have a beneficial impact on domestic suppliers of fish, shellfish, and seafood.

A copy of the IRFA may be obtained from the address specified herein. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subparts in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2002–D034.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

D. Determination to Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense that urgent and compelling reasons exist to publish an interim rule prior to affording the public an opportunity to comment. This interim rule implements section 8136 of the Defense Appropriations Act for Fiscal Year 2003 (Pub. L. 107–248). Section 8136 requires

the acquisition of domestic fish, shellfish, and seafood, to include fish, shellfish, and seafood manufactured or processed, or contained in foods manufactured or processed, in the United States. Section 8136 became effective upon enactment, on October 23, 2002. Comments received in response to this interim rule will be considered in the formation of the final rule.

Defense Federal Acquisition Regulation Supplement; Contractor Performance of Security-Guard Functions

AGENCY: Department of Defense (DoD).

ACTION: Interim rule with request for comments.

SUMMARY: DoD has issued an interim rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to implement section 332 of the National Defense Authorization Act for Fiscal Year 2003. Section 332 provides temporary authority for contractor performance of security-guard functions at military installations or facilities in excess of those in place on September 10, 2001.

DATES: Effective date: February 14, 2003.

Comment date: Comments on the interim rule should be submitted to the address shown below on or before April 15, 2003, to be considered in the formation of the final rule.

ADDRESSES: Respondents may submit comments directly on the World Wide Web at <http://emissary.acq.osd.mil/dar/dfars.nsf/pubcomm>. As an alternative, respondents may e-mail comments to: dfars@acq.osd.mil. Please cite DFARS Case 2002-D042 in the subject line of e-mailed comments.

SUPPLEMENTARY INFORMATION:

A. Background

This interim rule amends DFARS subpart 237.1 to implement section 332 of the National Defense Authorization Act for Fiscal Year 2003 (Pub. L. 107-314). Section 332 authorizes DoD to waive the prohibition at 10 U.S.C. 2465(a) related to security-guard functions at military installations or facilities. It permits contractor performance of security-guard functions to meet the increased requirements for such services since September 11, 2001. This authority extends only to the increased requirements; therefore, existing security-guard services not performed by contractors are unaffected. The authority expires on December 2, 2005. Recruiting and training standards for contractor personnel who are to perform security-guard functions pursuant to this authority will be comparable to the standards in place for DoD personnel currently performing those functions.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD does not expect this rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule applies only to the procurement of security-guard services over and above the level of such services being performed on September 10, 2001. The amount of such additional services is not expected to be significantly large, in comparison to the total amount of services procured by DoD. Therefore, DoD has not performed an initial regulatory flexibility analysis. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subpart in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2002-D042.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

D. Determination To Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense that urgent and compelling reasons exist to publish an interim rule prior to affording the public an opportunity to comment. This interim rule implements section 332 of the National Defense Authorization Act for Fiscal Year 2003 (Pub. L. 107-314). Section 332 provides temporary authority for contractor performance of security-guard functions at military installations or facilities to meet the increased requirements for such services since September 11, 2001. Section 332 became effective upon enactment on December 2, 2002. The authority provided by section 332 expires on December 2, 2005. Comments received in response to this interim rule will be considered in the formation of the final rule.
