

of the Draft RMP amendment/EA. All public meetings will be announced through the local news media and newsletters at least 15 days prior to the event. The minutes and list of attendees for each meeting will be available to the public and open for 30 days to any participant who wishes to clarify the views they expressed.

Public Participation: The BLM will hold public meetings during the plan scoping period. Early participation is encouraged and will help determine the future travel management of the BLM-administered lands involved in this amendment. In addition to the ongoing public participation process, the BLM will provide formal opportunities for public participation by requesting comments upon the BLM's publication of the BLM draft RMP amendment, the EA, and an (unsigned) Finding of No Significant Impact (FONSI).

ADDRESSES: Please send written comments to the Bureau of Land Management, San Luis Valley Public Land Center (SLVPLC), Attn: San Luis Valley TMP, 1803 W. Hwy 160, Monte Vista, CO 81144; Fax 719-852-6250. Documents pertinent to this proposal may be examined at the SLVPLC. Comments, including names and street addresses of respondents, will be available for public review at the SLVPLC during regular business hours (8 a.m. to 4:30 p.m.), Monday through Friday, except holidays, and may be published as part of the EA.

Individual respondents may request confidentiality. If you wish to withhold your name or street address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be available for public inspection in their entirety.

FOR FURTHER INFORMATION CONTACT: For further information and/or to have your name added to our mailing list, contact Mark Swinney, Team Leader, at the SLVPLC address listed above or by calling (719) 852-6260.

SUPPLEMENTARY INFORMATION: The use of roads and trails for motorized and non-motorized recreation and other land use activities are important uses of BLM-administered lands. In response to recommendations made by the Front Range Resource Advisory Council, the BLM proposes developing a travel management plan and establishing a

travel management system of designated roads and trails.

Preliminary issues and management concerns have been identified by BLM personnel, other agencies, and in meetings with individuals and user groups. They represent the BLM's knowledge to date about the existing issues and concerns with current management. The preliminary issues include: Impacts to public land users and adjacent private landowners; impacts to wildlife habitat; and impacts to water quality, vegetation, including riparian and wetland areas, and soils. These issues, along with others that may be identified through public participation, will be considered in the planning process. After gathering public comments on what issues the plan amendment should address, the suggested issues will be placed in one of three categories:

1. Issues to be resolved in the plan amendment;
2. Issues resolved through policy or administrative action; or
3. Issues beyond the scope of this plan amendment.

The plan will provide rationale for each issue placed in category two or three. In addition to these major issues, a number of management questions and concerns will be addressed in the plan amendment. The public is encouraged to help identify these questions and concerns during the scoping phase. The BLM will use an interdisciplinary approach to develop the plan amendment in order to consider the variety of resource issues and concerns identified. Disciplines involved in the planning process will include specialists with expertise in rangeland management, minerals and geology, forestry, outdoor recreation, law enforcement, archaeology, wildlife and fisheries, lands and realty, hydrology, soils, vegetation, and fire.

Notice of Realty Action—Riverside County, CA, Competitive Bidding for a Preference Right to Apply for a Right-of-way To Construct Wind-Energy Testing and/or Generating Facilities on Public Lands

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action.

Authority: 43 CFR 2803.1–3(c).

SUMMARY: Beginning June 1, 2004, the Bureau of Land Management (BLM) will accept written bids to award a preference right to apply for a right-of-way to construct, operate and maintain wind-energy testing and/or generating facilities on approximately 285 acres of public lands described as a portion of section 28, T.3S., R.4E., San Bernardino Meridian.

DATES: Written bids will be accepted for a 45-day period beginning Tuesday June 1, 2004 and ending 3 p.m., Thursday July 15, 2004. The bidding period may be extended.

ADDRESSES: Initial written bids must be submitted to the Bureau of Land Management, Palm Springs—South Coast Field Office, 690 West Garnet Ave., P.O. Box 581260, North Palm Springs, CA 92258–1260.

FOR FURTHER INFORMATION CONTACT: Mr. Claude Kirby at the Palm Springs—South Coast Field Office, phone number (760) 251–4850.

SUPPLEMENTARY INFORMATION: The competitive bid process is described in greater detail in an Invitation For Bids (IFB) available from the Palm Springs South Coast Field Office at the address listed above. Bidding will end at 3 p.m., July 15, 2004, but may be extended as provided in the Invitation For Bids. The minimum initial bid is \$5,000 and must be submitted on the bid form provided in the IFB. After submitting these items, qualified bidders will be assigned a bid number and may increase their bid in increments of \$500 in writing or by facsimile to the Palm Springs—South Coast Field Office at (760) 251–4899, with no additional bid deposit required.

BLM will notify the selected qualified bidder and award a right to apply for a right-of-way to construct, operate and maintain wind-energy testing and/or generating facilities on the public lands described above. The selected qualified bidder will be obligated to pay the difference between the high bid and the initial bid deposit within 15 days of notification by BLM. The winning bid will be deposited with the U.S. Treasury and will not be returned. After the close of bidding, with the exception of the selected qualified bidder's deposit, all other bid deposits will be returned.

The right must be exercised within 60 days by submitting a right-of-way application, SF 299, with a plan of development to BLM for consideration. Detailed terms and conditions of any right-of-way grant will be determined through the environmental review process and are expected to include requirements for cost reimbursement, bonding, and habitat compensation. BLM provides no assurance that after consideration of any right-of-way application it will issue a favorable decision and grant a right-of-way on public lands. Bid forms and a complete description of the bid process are contained in an Invitation For Bids that will be available at the BLM Web site www.ca.blm.gov/palmsprings/.

Dated: March 2, 2004.
