

more calendar days before the meeting. In addition, on the day of the meeting, Primary Speakers must provide a written summary of their comments to the DME Public Meeting Coordinator.

B. "5-Minute" Speaker Presentations

Meeting attendees will be permitted to sign up at the meeting, on a first-come, first-served basis, to make 5-Minute presentations on individual agenda items. Based on the number of items on the agenda and the progress of the meeting, a determination will be made at the meeting by the meeting coordinator and the meeting moderator, regarding how many 5-Minute speakers can be accommodated. In order to offer the same opportunity to all attendees, there is no pre-registration for 5-Minute speakers. Attendees may sign up only on the day of the meeting to do a 5-Minute presentation. They must provide their name, company name and address, contact information as specified on the sign-up sheet, and identify the specific agenda item that will be addressed. On the day of the meeting, 5-Minute speakers must provide a written summary of their comments to the DME Public Meeting Coordinator.

C. Speaker Declaration

The Primary Speakers and the 5-Minute Speakers must declare, at the meeting as well as in their written summary, whether or not they have any financial involvement with the manufacturers or competitors of any items or services being discussed. This includes any payment, salary, remuneration, or benefit provided to the speaker by the manufacturer.

D. Written Comments from Meeting Attendees

We welcome written comments from persons in attendance at a public meeting, whether or not they had the opportunity to make an oral presentation. Written comments may be submitted at the meeting, or prior to the meeting via e-mail to www.cms.hhs.gov/medicare/hcpcs or via regular mail to the HCPCS Coordinator, Centers for Medicare & Medicaid Services, 7500 Security Boulevard, Mail Stop C5-08-27, Baltimore, MD 21244.

IV. General Information

The meetings are held in a Federal government building; therefore, Federal measures are applicable. In planning your arrival time, we recommend allowing additional time to clear security. In order to gain access to the building and grounds, participants must bring a government-issued photo identification and a copy of your

confirmation of pre-registration for the meeting. Access may be denied to persons without proper identification.

Security measures also include inspection of vehicles, inside and out, at the entrance to the grounds. In addition, all persons entering the building must pass through a metal detector. All items brought to CMS, whether personal or for the purpose of demonstration or to support a presentation, are subject to inspection. CMS cannot assume responsibility for coordinating the receipt, transfer, transport, storage, set-up, safety, or timely arrival of any personal belongings or items used for demonstration or to support a presentation.

Special Accommodations: Persons attending a meeting who are hearing or visually impaired and have special requirements, or a condition that requires special assistance or accommodations, must provide this information upon registering for the meeting.

Each meeting day will begin at 9 a.m. and end at 5 p.m., e.d.t. Because it is impossible to anticipate, in advance of the April 1, 2004, submission deadline, the nature and the number of coding requests that will be submitted for new DME, we can only estimate the amount of meeting time that will be needed, and we are unable to post a final agenda at this time. We may not need three full-day meetings. We will consider each meeting individually, and we may modify the meeting dates and times published in this notice. Final confirmation of meeting dates and times, and agenda items will be posted three weeks in advance of each scheduled meeting, on the official HCPCS Web site and can be accessed at <http://cms.hhs.gov/medicare/hcpcs/default.asp>.
