

Dallas County Domestic Violence Court, and a sample of men living in Dallas County. The study participants will include two samples of men, who will be asked to complete a survey developed and tested by experts in the field of psychology and sociology. The

study will include psychological assessments of attachment depression, anger and sociological assessments of peer support for violence, attitudes toward violence, and attitudes toward sex roles.

The data will be collected to further understand the psychological and

sociological correlates of battering (e.g., male battering of female partners), which will in turn assist in developing models for intervention programs. The estimated annualized burden is 899 hours.

Data collection activity	Number of respondents	Frequency of response	Average burden per response (in hours)
Screener In-person Sample	583	1	6/60
Screener *RDD Sample	1,400	1	6/60
**IPV Survey	700	1	1

*Random Digit Dialing Sample.

**Intimate Partner Violence Survey.

Dated: April 28, 2004.

Alvin Hall,

Director, Management Analysis and Services Office, Centers for Disease Control and Prevention.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Notice of Establishment

Pursuant to the Federal Advisory Committee Act, as amended (5 U.S.C. Appendix 2), the Secretary, Department of Health and Human Services (HHS), announces the establishment of the Board of Scientific Counselors, National Center for Environmental Health/Agency for Toxic Substances and Disease Registry.

This board is established as a result of a consolidation of the Offices of the Director of the National Center for Environmental Health (NCEH), and the Agency for Toxic Substances and Disease Registry (ATSDR).

The Board of Scientific Counselors, NCEH/ATSDR will advise the Secretary, HHS; the Director, Centers for Disease Control and Prevention; and the Director, NCEH/ATSDR, regarding program goals, objectives, strategies, and priorities in fulfillment of the agencies' mission to protect and promote people's health. The board will provide advice and guidance that will assist NCEH/ATSDR in ensuring scientific quality, timeliness, utility, and dissemination of results. The board will also provide guidance to help NCEH/ATSDR work more efficiently and effectively with its various constituents and to fulfill its mission in protecting America's health.

For information, contact Dr. Tom Sinks, Executive Secretary, Centers for Disease Control and Prevention, of the Department of Health and Human Services, 1600 Clifton Road, NE., Mailstop E28, Atlanta, Georgia 30333, telephone 404/498-0003 or fax 404/498-0059.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Dated: April 30, 2004.

Alvin Hall,

Director, Management Analysis and Services Office, Centers for Disease Control and Prevention.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

The Board of Scientific Counselors, National Center for Environmental Health/Agency for Toxic Substances and Disease Registry

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) and the Agency for Toxic Substances Disease Registry (ATSDR) announce the following committee meeting.

Name: Board of Scientific Counselors (BSC), National Center for Environmental Health (NCEH)/ATSDR.

Times and Dates: 8:30 a.m.-5 p.m., May 20, 2004. 8:30 a.m.-3:30 p.m., May 21, 2004.

Place: The Century Center Facility, 1825 Century Boulevard, Atlanta, Georgia 30345.

Status: Open to the public for observation, limited only by the space available. The meeting room accommodates approximately 75 people.

Purpose: The Secretary, and by delegation, the Director of the Centers for Disease Control and Prevention and the Administrator of the Agency for Toxic Substances and Disease Registry, are authorized under Section 301(42 U.S.C. 241) and Section 311(42 U.S.C. 243) of the Public Health Service Act, as amended, to (1) conduct, encourage, cooperate with, and assist other appropriate public authorities, scientific institutions, and scientists in the conduct of research, investigations, experiments, demonstrations, and studies relating to the causes, diagnosis, treatment, control, and prevention of physical and mental diseases and other impairments; (2) assist States and their political subdivisions in the prevention of infectious diseases and other preventable conditions and in the promotion of health and well being; and (3) train State and local personnel in health work.

The Board of Scientific Counselors, NCEH/ATSDR provides advice and guidance to the Secretary, HHS; the Director, CDC; and the Director, NCEH/ATSDR, regarding program goals, objectives, strategies, and priorities in fulfillment of the agencies' mission to protect and promote people's health.

The Board provides advice and guidance that will assist NCEH/ATSDR in ensuring scientific quality, timeliness, utility, and dissemination of results. The Board also provides guidance to help NCEH/ATSDR work

more efficiently and effectively with its various constituents and to fulfill its mission in protecting America's health.

Matters To Be Discussed: The agenda items, will include, but are not limited to, an update and discussions on the consolidation of NCEH and ATSDR advisory committees; discussions on peer review proposal plan, the combined research agenda and the Preparedness Workgroup Goals Document; staff will also provide an overview of NCEH/ATSDR strategic directions.

Agenda items are tentative and subject to change.

FOR FURTHER INFORMATION CONTACT:

Individuals interested in attending the meeting, please contact Sandra Malcom, Committee Management Specialist, NCEH/ATSDR, 1600 Clifton Road, Mail Stop E-28, Atlanta, Georgia 30303; telephone 404/498-0003, fax 404/498-0059; E-mail: smalcom@cdc.gov. The deadline for notification of attendance is May 14, 2004.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities for both CDC and the Agency for Toxic Substances and Disease Registry.

Dated: April 30, 2004.

Alvin Hall,

Director, Management Analysis and Services Office, Centers for Disease Control and Prevention.

BILLING CODE 4163-18-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Community Services Block Grant (CSBG); State Capacity Building Mini-Grants

Federal Agency Name: Administration for Children and Families, Office of Community Services.

Funding Opportunity: CSBG T/TA Program—State Capacity Building Mini-Grants.

Announcement Type: Competitive Grant—Initial.

Funding Opportunity Number: HHS-2004-ACF-OCS-ET-0015.

CFDA Number: 93.570.

Due Dates for Applications: The due date for receipt of applications is June 21, 2004.

I. Funding Opportunity Description

The Office of Community Services (OCS) within the Administration for Children and Families (ACF) announces that competing applications will be accepted for a new grant pursuant to the Secretary's authority under section 674(b) of the Community Services Block Grant (CSBG) Act, as amended, by the Community Opportunities, Accountability, and Training and Educational Services (COATES) Human Services Reauthorization Act of 1998, (Pub. L. 105-285).

The proposed grant will fund up to 10 capacity building grants to CSBG eligible entities during Fiscal Year 2004 to help State CSBG Lead Agencies and State CAA Associations collect and submit electronically, information that supports the new national community action performance indicators.

Definitions of Terms

The following definitions apply:

At-Risk Agencies refers to CSBG eligible entities in crises. The problem(s) to be addressed must be of a complex or pervasive nature that cannot be adequately addressed through existing local or State resources.

Capacity-building refers to activities that assist Community Action Agencies (CAAs) and other eligible entities to improve or enhance their overall or specific capability to plan, deliver, manage and evaluate programs efficiently and effectively to produce intended results for low-income individuals. This may include upgrading internal financial management or computer systems, establishing new external linkages with other organizations, improving board functioning, adding or refining a program component or replicating techniques or programs piloted in another local community, or making other cost effective improvements.

Community in relationship to broad representation refers to any group of individuals who share common distinguishing characteristics including residency, for example, the "low-income" community, or the "religious" community or the "professional" community. The individual members of these "communities" may or may not reside in a specific neighborhood, county or school district but the local service provider may be implementing programs and strategies that will have a measurable affect on them. Community in this context is viewed within the framework of both community conditions and systems, i.e., (1) public policies, formal written and unstated norms adhered to by the general

population; (2) service and support systems, economic opportunity in the labor market and capital stakeholders; (3) civic participation; and (4) an equity as it relates to the economic and social distribution of power.

Community Services Network (CSN) refers to the various organizations involved in planning and implementing programs funded through the Community Services Block Grant or providing training, technical assistance or support to them. The network includes local Community Action Agencies and other eligible entities; State CSBG offices and their national association; CAA State, regional and national associations; and related organizations which collaborate and participate with Community Action Agencies and other eligible entities in their efforts on behalf of low-income people.

Eligible applicants described in this announcement shall be eligible entities, organizations, (including faith based) or associations with demonstrated expertise in providing training to individuals and organizations on methods of effectively addressing the needs of low-income families and communities. See description of Eligible Entities below.

Eligible entity means any organization that was officially designated as a Community Action Agency (CAA) or a community action program under Section 673(1) of the Community Services Block Grant Act, as amended by the Human Services Amendments of 1994 (Pub. L. 103-252), and meets all the requirements under Sections 673(1)(A)(I), and 676A of the CSBG Act, as amended by the COATES Human Services Reauthorization Act of 1998. All eligible entities are current recipients of Community Services Block Grant funds, including migrant and seasonal farm worker organizations that received CSBG funding in the previous fiscal year.

Local service providers are local public or private non-profit agencies that receive Community Services Block Grant funds from States to provide services to, or undertake activities on behalf of, low-income people.

Nationwide refers to the scope of the technical assistance, training, data collection, or other capacity-building projects to be undertaken with grant funds. Nationwide projects must provide for the implementation of technical assistance, training or data collection for all or a significant number of States, and the local service providers who administer CSBG funds.

Non-profit Organization refers to an organization, including faith-based,
