Background

Appendix A to 31 CFR chapter V contains the names of blocked persons, specially designated nationals, specially designated terrorists, specially designated global terrorists, foreign terrorist organizations, and specially designated narcotics traffickers designated pursuant to the various economic sanctions programs administered by the Office of Foreign Assets Control ("OFAC"). This appendix is periodically amended to reflect the names of individuals and entities added to, or removed from, the list. This appendix also is periodically amended to provide updated identifying and clarifying information, as well as alternative spellings and additional aliases, for certain individuals and entities included on the list.

Note 7 to the appendices to chapter V of Title 31 of the Code of Federal Regulations states, in relevant part, that frequently updated information on OFAC designations is provided for examination or downloading on OFAC's Internet site (<http://www.treas.gov/ofac>). Among other data, the internet site posts changes in designations and identifying information, and provides country-by-country lists of names. Information is also available by fax through OFAC's fax-on-demand system at 202/622-0077 and on various information systems serviced by OFAC. Updated information on OFAC designations should be consulted before engaging in transactions subject to the economic sanctions programs in chapter V.

Appendix A of chapter V of Title 31 of the Code of Federal Regulations conforms to the format used on OFAC's website to present the information on Specially Designated Nationals and Blocked Persons. This amendment reflects the complete list of persons identified in OFAC's Specially Designated Nationals and Blocked Persons list as of April 13, 2004. Changes after that date are not reflected in this document.

Because the regulations involve a foreign affairs function, Executive Order 12866 and the provisions of the Administrative Procedure Act (5 U.S.C. 553), requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date, are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601-612) does not apply.
