Extension of Time Limits for Final Results of Reviews

Currently, the final results of administrative reviews are due on July 8, 2004. Section 751(a)(3)(A) of the Act requires the Department to complete its final results of review within 120 days after the date on which the preliminary results were published. However, the Department may extend the deadline for completion of an administrative review if it determines that it is not practicable to complete the review within the statutory time limit. Section 751(a)(3)(A) of the Act allows the Department to extend the deadline for completion of the final results to 180 days from the date of publication of the preliminary results. As a result of the complex issues involved in this review, the Department has determined that it is not practicable to complete these reviews within the original time limit. For this reason, we are extending the time limit by sixty days, to September 7, 2004. *See Memorandum from Holly Kuga, Office Director, to Jeff May, Deputy Assistant Secretary for Import Administration, Group I, dated concurrently with this notice, which is on file in the Central Records Unit, Room B-099 of the main Commerce building.*

This notice is published in accordance with section 735(a)(2) of the Act and 19 CFR 351.210(g).

Dated: June 23, 2004.

Jeffrey May,

Deputy Assistant Secretary for Import Administration, Group I.

Mechanical Transfer Presses From Japan: Extension of Time Limit for Final Results of Antidumping Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce is extending the time limit for the final

results of the administrative review of mechanical transfer presses (MTPs) from Japan until no later than July 14, 2004. The period of review is February 1, 2002 through January 31, 2003. This extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act).

DATES: *Effective Date:* June 29, 2004.

FOR FURTHER INFORMATION CONTACT: Jacqueline Arrowsmith, Office of AD/CVD Enforcement VII, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone: (202) 482-5255.

Background

On February 16, 1990, the Department issued an antidumping duty order on mechanical transfer presses from Japan. *See Antidumping Duty Order: Mechanical Transfer Presses from Japan*, 55 FR 5642 (February 16, 1990). The term "mechanical transfer presses" refers to automatic metal-forming machine tools with multiple die stations in which the work piece is moved from station to station by a transfer mechanism designed as an integral part of the press and synchronized with the press action, whether imported as machines or parts suitable for use solely or principally with these machines. These presses may be imported assembled or unassembled. *See Mechanical Transfer Presses From Japan: Final Results of Antidumping Administrative Review* 68 FR 39515.

On February 24, 2003, the Department of Commerce (the Department) received a timely request for administrative review of the antidumping duty order on MTPs from Japan from respondent Hitachi Zosen Corporation (HZC), and its subsidiary Hitachi Zosen Fukui Corporation d/b/a H&F Corporation (H&F). On February 27, 2003, the Department received a timely request from petitioner, IHI—Verson Press Technology, LLC for an administrative review of HZC and H&F. On February 28, 2003, HZC and H&F submitted a timely request that the Department revoke the order with respect to HZC and H&F based on the absence of dumping in three consecutive reviews, in accordance with section 351.222(e) of the Department's regulations. On March 25, 2003, the Department published a notice of initiation of this administrative review, covering the period of February 1, 2002 through January 31, 2003 (*see* 68 FR 14394), for HZC and its subsidiary H&F. On October 15, 2003, the Department published the *Mechanical Transfer Presses from Japan: Extension*

of Time Limit for Preliminary Results of Antidumping Administrative Review, 68 FR 59365, in which we extended the preliminary results until not later than February 28, 2004.

On March 8, 2004, the Department published the *Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination Not to Revoke, in-Part: Mechanical Transfer Presses from Japan*, 69 FR 10675 (Preliminary Results). The final results of this administrative review are currently due not later than July 6, 2004.

Extension of Time Limits for the Final Results

HZC/H&F has requested revocation with respect to the order. There are complex issues with regard to the issue of revocation. Therefore, it is not practicable to complete this review within the time limits mandated by section 751(a)(3)(A) of the Act. The Department is therefore extending the time period for issuing the preliminary results of this review from July 6, 2004, until no later than July 14, 2004, in accordance with section 751(a)(3)(A) of the Act. This notice is published pursuant to sections 751(a)(3)(A) and 777(I)(1) of the Act.

Dated: June 18, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.
