Certain Hot-Rolled Carbon Steel Flat Products From Romania: Notice of Extension of Time Limit of Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit of preliminary results of antidumping duty administrative review.

SUMMARY: The Department of Commerce (the Department) is extending the preliminary results in the antidumping duty administrative review of certain hot-rolled carbon steel flat products (hot-rolled steel) from Romania covering the period November 1, 2002, through October 31, 2003. This extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act).

EFFECTIVE DATE: July 12, 2004.

FOR FURTHER INFORMATION CONTACT: Christopher C. Welty at (202) 482-0186 or Charles Riggle at (202) 482-0650, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

Background

On December 24, 2003, the Department published a notice of initiation of administrative review of the antidumping duty order on hot-rolled steel from Romania, covering the period November 1, 2002 through October 31, 2003. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 68 FR 74550. The preliminary results for this review are currently due no later than August 2, 2004.

Section 751(a)(3)(A) of the Act requires the Department to complete the preliminary results of review within 245 days after the last day of the anniversary month of an order or finding for which

a review is requested and the final results within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month of an order or finding for which a review is requested and for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of this review within the original time limit due to the complex nature of this review. Specifically, on March 10, 2003, the Department reclassified Romania as a market economy effective January 1, 2003, for the purposes of antidumping and countervailing duty proceedings. Because this review covers the period November 1, 2002, through October 31, 2003, the Department has determined to conduct a simultaneous split review, applying its non-market-economy methodology to the period November 1 through December 31, 2003, and its market-economy methodology from January 1 through October 31, 2003. Accordingly, the Department is analyzing both market-economy and non-market-economy questionnaire responses. Therefore, the Department is extending the time limit for completion of the preliminary results until no later than November 29, 2004. We intend to issue the final results no later than 120 days after publication of notice of the preliminary results.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: July 6, 2004.

Jeffrey A. May,

Deputy Assistant Secretary for Import Administration, Group I.

Certain Tissue Paper Products and Certain Crepe Paper Products From the People's Republic of China: Postponement of the Preliminary Determinations of the Antidumping Duty Investigations

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of postponement of the preliminary determinations of antidumping duty investigations.

EFFECTIVE DATE: July 12, 2004.

SUMMARY: The Department of Commerce ("the Department") is postponing the preliminary determinations in the investigations of certain tissue paper products and certain crepe paper products from the People's Republic of China. These investigations cover the period July 1, 2003, through December 31, 2003.

FOR FURTHER INFORMATION CONTACT:

Michael Ferrier, Rachel Kreissl, or Kit Rudd, AD/CVD Enforcement, Group III, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone: (202) 482-2667, (202) 482-0409 and (202) 482-1385 respectively.

Background

On March 15, 2004, the Department published a notice of initiation of investigations of certain tissue paper products and certain crepe paper products from the People's Republic of China covering the period July 1, 2003, through December 30, 2003. *See Notice of Initiation of Antidumping Duty Investigations: Certain Tissue Paper Products and Certain Crepe Paper Products from the People's Republic of China*: 69 FR 12128 (March 15, 2004). The notice of initiation stated that the Department would issue preliminary determinations no later than 140 days after the date of initiation. *See Id.* Currently, the preliminary determinations in these investigations are due on July 26, 2004. *See* 19 CFR 351.205(e).

Postponement of Preliminary Determinations

Under section 733(c)(1)(A) of the Tariff Act of 1930, as amended ("the Act"), the petitioner may request a postponement from 140 days to not later than 190 days after the initiation of an

investigation. A written request, including reasons for the postponement, must be submitted to the Department at least 25 days prior to the preliminary determination.

The Department finds that the petitioners in the investigations submitted a timely request for postponement of the preliminary determinations on July 1, 2004, in accordance with section 773(c)(1)(A) of the Act. Further, the petitioners stated the following reasons for requesting a postponement of the preliminary determinations in the investigations: to allow the Department time to fully analyze and consider the information and arguments presented by the parties to the investigations and to issue and receive supplemental questionnaires and responses in the preliminary phase of the proceedings.

Pursuant to section 733(c)(1)(A) of the Act, the Department has determined that additional time is necessary to allow complete analysis and consideration of information and arguments presented by parties and to permit issuance of supplemental questionnaires and responses in the proceedings. Therefore, the Department is partially extending the preliminary determination date for the investigations until August 25, 2004.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f).

Dated: July 6, 2004.

Deputy Assistant Secretary for Import Administration, Group I.
