**SUPPLEMENTARY INFORMATION:**

#### **Significant Ministerial Error**

Pursuant to 19 CFR 351.224(g)(1) and (g)(2), the Department of Commerce ("Department") is amending the preliminary determination of sales at less than fair value in the antidumping duty investigation of wooden bedroom furniture from the People's Republic of China ("PRC") to reflect the correction of significant ministerial errors it made in the margin calculations regarding the following mandatory respondents: Rui Feng Woodwork Co., Ltd., Rui Feng Lumber Development Co., Ltd., and Dorbest Limited (collectively "Dorbest Group"); Starcorp Furniture (Shanghai) Co., Ltd., Orin Furniture (Shanghai) Co., Ltd., and Shanghai Starcorp Furniture Co., Ltd. (collectively "Starcorp"). A ministerial error is defined as an error in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error

which the Secretary considers ministerial. *See* 19 CFR 351.224(f). A significant ministerial error is defined as an error, the correction of which, singly or in combination with other errors, would result in (1) a change of at least five absolute percentage points in, but not less than 25 percent of, the weighted-average dumping margin calculated in the original (erroneous) preliminary determination or (2) a difference between a weighted-average dumping margin of zero or *de minimis* and a weighted-average dumping margin of greater than *de minimis* or vice versa. *See* 19 CFR 351.224(g). We are publishing this amendment to the preliminary determination pursuant to 19 CFR 351.224(e). As a result of this amended preliminary determination, we have revised the antidumping rates for the Dorbest Group, Starcorp, and Tech Lane. *See* discussion below.

Additionally, the Department is amending the preliminary determination of sales at less than fair value in the antidumping duty investigation of wooden bedroom furniture from the PRC to reflect the correction of ministerial errors it made regarding certain Section A respondents that have applied for a separate rate and provided information for the Department to consider for the preliminary determination but were denied a separate rate at the preliminary determination stage. Memorandum to Laurie Parkhill, Office Director, AD/CVD Enforcement, Antidumping Duty Investigation of Wooden Bedroom Furniture From the People's Republic of China: Analysis of Allegations of Ministerial Errors for Section A Respondents dated July 29, 2004.

#### **Ministerial-Error Allegation**

On June 24, 2004, the Department published its affirmative preliminary determination in this proceeding. *See Notice of Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination: Wooden Bedroom Furniture From the People's Republic of China*, 69 FR 35312 (June 24, 2004) ("Preliminary Determination").

On June 29, 2004, the Department received timely allegations of ministerial errors in the *Preliminary Determination* from the American Furniture Manufacturers Committee for Legal Trade and its individual members and the Cabinet Makers, Millmen, and Industrial Carpenters Local 721, UBC Southern Council of Industrial Worker's Local Union 2305, United Steel Workers of American Local 193U, Carpenters Industrial Union Local 2093, and Teamsters, Chauffeurs, Warehousemen

and Helper Local 991 (collectively "Petitioners"), and the following respondents: Dongguan Lung Dong Furniture Co., Ltd., and Dongguan Dong He Furniture Co., Ltd. (collectively "Dongguan Lung Dong"); the Dorbest Group; Lacquer Craft Manufacturing Company, Ltd. ("Lacquer Craft"); Markor International Furniture (Tianjin) Manufacture Co., Ltd. ("Markor Tianjin"); Shing Mark Enterprise Co., Ltd., Carven Industries Limited (BVI), Carven Industries Limited (HK), Dongguan Zhenxin Furniture Co., Ltd., and Dongguan Yongpeng Furniture Co., Ltd. (collectively "Shing Mark"); and Starcorp. Additionally, Petitioners made a ministerial-error allegation with regard to Tech Lane Wood Mfg. and Kee Jia Wood Mfg. (collectively "Tech Lane"). The Department has reviewed its preliminary calculations and agrees that some of the errors which the parties alleged are ministerial errors within the meaning of 19 CFR 351.224(f).

We agree with certain ministerial errors made with respect to the mandatory respondents. However, not all of the alleged ministerial errors for each mandatory respondent when taken in totality meet the definition of a ministerial error under 19 CFR 351.224. Due to the large number of mandatory respondents and the extraordinary number of alleged ministerial errors in this case we have summarized all comments in company-specific memoranda. For a complete listing of all comments, please see the individual memorandum for each mandatory respondent (*i.e.*, Dongguan Lung Dong, the Dorbest Group, Lacquer Craft, Markor Tianjin, Shing Mark, Starcorp, and Tech Lane), Memorandum to the Laurie Parkhill, Office Director, AD/CVD Enforcement, Antidumping Duty Investigation of Wooden Bedroom Furniture from the People's Republic of China: Analysis of Allegation of Ministerial Errors for (Company) (*i.e.*, Dongguan Lung Dong, the Dorbest Group, Lacquer Craft, Markor Tianjin, Shing Mark, Starcorp, or Tech Lane) dated July 29, 2004.<sup>1</sup>

On June 29, 2004, the Department received timely allegations of ministerial errors in the *Preliminary Determination* from twenty-nine section

<sup>1</sup> On July 29, 2004, the Department informed Tech Lane that it was not going to conduct verification of its sales and factors of production data, due to the fact Tech Lane did not provide financial statements covering reported subject merchandise and because Tech Lane did not provide the Department with a reconciliation of its sales made during the Period of Investigation ("POI") to its financial statements. In light of the Department's decision to cancel verification, the Department notes that the amended rate for Tech Lane may change for purposes of the final determination.

A respondents. See Memorandum to the Laurie Parkhill, Office Director, Antidumping Duty Investigation of Wooden Bedroom Furniture from the People's Republic of China: Analysis of Allegations of Ministerial Errors for Section A Respondents dated July 29, 2004.

Additionally, on July 6, 2004, the Department received additional timely information from certain Section A Respondents. The Department will address these comments in the Final Determination. See Antidumping Duty Investigation of Wooden Bedroom Furniture from the People's Republic of

China: Analysis of Consideration of Additional Information for Final Determination, dated July 29, 2004.

Further, the Department received several new Section A filings from companies requesting a separate rate after the preliminary determination. We have determined to return these filings because they were untimely. As the Department stated in the *Preliminary Determination*, all Section A filings had to be received by March 1, 2004. Therefore, these filings were untimely filed because the Department received them beyond the March 1, 2004, filing deadline.

The collection of bonds or cash deposits and suspension of liquidation will be revised accordingly and parties will be notified of this determination, in accordance with section 733 (d) and (f) of the Tariff Act of 1930, as amended, (the Act).

#### Stainless Steel Plate in Coils From South Africa; Final Results of Expedited Sunset Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of final results of the expedited sunset review of the countervailing duty order on stainless steel plate in coils from South Africa.

**SUMMARY:** On April 1, 2004, the Department of Commerce ("the Department") initiated a sunset review of the countervailing duty order on stainless steel plate in coils ("SSPC") from South Africa pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). On the basis of a notice of intent to participate and an adequate substantive response filed on behalf of domestic interested parties and an inadequate response, *i.e.*, no response from respondent interested parties, the Department determined to conduct an expedited (120-day) sunset review. As a result of this sunset review, the Department finds that revocation of the countervailing duty order would be likely lead continuation or recurrence of a countervailable subsidy. The net countervailable subsidy and the nature of the subsidy are identified in the *Final Results of Review* section of this notice.
