SUPPLEMENTARY INFORMATION:**Background**

On June 24, 2004, the Department of Commerce (Department) published the notice of final determination of sales at less than fair value for floor-standing, metal-top ironing tables and certain parts thereof (ironing tables) from the People's Republic of China (PRC). See *Notice of Final Determination of Sales at Less Than Fair Value: Floor-Standing, Metal-Top Ironing Tables and Certain Parts Thereof from the People's Republic of China*, 69 FR 35296 (June 24, 2004) (*Final Determination*). On July 28, 2004, the International Trade Commission (ITC) notified the Department of its final determination pursuant to section 735(b)(1)(A)(i) of the Tariff Act of 1930, as amended (the Act) that an industry in the United States is materially injured by reason of less than fair value imports of subject merchandise from the PRC.

Scope of the Order

For purposes of this order, the product covered consists of floor-standing, metal-top ironing tables, assembled or unassembled, complete or incomplete, and certain parts thereof. The subject tables are designed and used principally for the hand ironing or pressing of garments or other articles of fabric. The subject tables have full-height leg assemblies that support the ironing surface at an appropriate (often

adjustable) height above the floor. The subject tables are produced in a variety of leg finishes, such as painted, plated, or matte, and they are available with various features, including iron rests, linen racks, and others. The subject ironing tables may be sold with or without a pad and/or cover. All types and configurations of floor-standing, metal-top ironing tables are covered by this order.

Furthermore, this order specifically covers imports of ironing tables, assembled or unassembled, complete or incomplete, and certain parts thereof. For purposes of this order, the term "unassembled" ironing table means a product requiring the attachment of the leg assembly to the top or the attachment of an included feature such as an iron rest or linen rack. The term "complete" ironing table means a product sold as a ready-to-use ensemble consisting of the metal-top table and a pad and cover, with or without additional features, e.g. iron rest or linen rack. The term "incomplete" ironing table means a product shipped or sold as a "bare board"—i.e., a metal-top table only, without the pad and cover—with or without additional features, e.g. iron rest or linen rack. The major parts or components of ironing tables that are intended to be covered by this order under the term "certain parts thereof" consist of the metal top component (with or without assembled supports and slides) and/or the leg components, whether or not attached together as a leg assembly. The order covers separately shipped metal top components and leg components, without regard to whether the respective quantities would yield an exact quantity of assembled ironing tables.

Ironing tables without legs (such as models that mount on walls or over doors) are not floor-standing and are specifically excluded. Additionally, tabletop or counter top models with short legs that do not exceed 12 inches in length (and which may or may not collapse or retract) are specifically excluded.

The subject ironing tables were previously classified under Harmonized Tariff Schedule of the United States (HTSUS) subheading 9403.20.0010. Effective July 1, 2003, the subject ironing tables are classified under the new HTSUS subheading 9403.20.0011. The subject metal top and leg components are classified under HTSUS subheading 9403.90.8040. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope remains dispositive.

Amended Final Determination

On June 24, 2004, in accordance with section 735(a) of the Act, the Department published its final determination that ironing tables from the PRC are being, or are likely to be, sold in the United States at less than fair value. See *Final Determination*. On June 28, 2004, the petitioner, Home Products International, Inc., filed timely allegations that the Department made ministerial errors in its final determination. The respondents in this case, Since Hardware (Guangzhou) Co., Ltd. (Since Hardware) and Shunde Yongjian Houseware Co. Ltd. (Yongjian), made no ministerial error allegations. On July 6, 2004, Since Hardware submitted rebuttal comments in response to the allegations made by the petitioner. For a detailed discussion of the Department's analysis of the allegations of ministerial errors, see Memorandum from Holly A. Kuga, Senior Director, Office 4, to Jeffrey May, Deputy Assistant Secretary for Import Administration, Group I, "Allegation of Ministerial Errors," dated concurrently with this notice. In accordance with 19 CFR 351.224(e), we are amending the *Final Determination* to correct certain ministerial errors.

The revised final weighted-average dumping margins are as follows:

Manufacturer/exporter	Weighted-average margin (percent)
Since Hardware (Guangzhou) Co., Ltd	9.47
Shunde Yongjian Housewares Co., Ltd	157.68
Forever Holdings Ltd	72.29
Gaoming Lihe Daily Necessities Co., Ltd	72.29
Harvest International Housewares Ltd	72.29
PRC-Wide Rate	157.68

The PRC-wide rate applies to all entries of the subject merchandise except for entries from Since Hardware, Yongjian, Forever Holdings, Harvest International, and Gaoming Lihe.

Antidumping Duty Order

In accordance with section 736(a)(1) of the Act, the Department will direct U.S. Customs and Border Protection (CBP) to assess, upon further advice by the Department, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price of the merchandise for all relevant entries of ironing tables from the PRC. For all producers and exporters, antidumping duties will be assessed on all

unliquidated entries of subject merchandise that are entered, or withdrawn from warehouse, for consumption on or after February 3, 2004, the date on which the Department published its notice of affirmative preliminary determination in the **Federal Register**. See *Notice of Preliminary Determination of Sales at Less Than Fair Value: Floor-Standing, Metal-Top Ironing Tables and Certain Parts Thereof from the People's Republic of China*, 69 FR 5127 (February 3, 2004).

On or after the date of publication of this notice in the **Federal Register**, CBP must require, at the same time as importers would normally deposit estimated duties, cash deposits for the subject merchandise equal to the estimated weighted-average dumping margins listed above.

This notice constitutes the antidumping duty order with respect to ironing tables from the PRC. Interested parties may contact the Department's Central Records Unit, Room B-099 of the main Commerce building, for copies of an updated list of antidumping duty orders currently in effect.

This order is issued and published in accordance with section 736(a) of the Act and 19 CFR 351.211.

Dated: August 2, 2004.

Joseph A. Spetrini,
Acting Assistant Secretary for Import Administration.

Notice of Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review: Individually Quick Frozen Red Raspberries From Chile

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results and partial rescission.

SUMMARY: In response to requests from interested parties, the Department of Commerce is conducting an administrative review of the antidumping duty order on individually quick frozen red raspberries from Chile with respect to Fruticola Olmue, S.A.; Santiago Comercio Exterior Exportaciones Limitada; and Uren Chile, S.A. We are rescinding the administrative review with respect to

Vital Berry Marketing, S.A. This review covers sales of individually quick frozen red raspberries to the United States during the period December 31, 2001, through June 30, 2003.

We preliminarily find that, during the period of review, sales of individually quick frozen red raspberries were made below normal value. If the preliminary results are adopted in the final results of this administrative review, we will instruct U.S. Customs and Border Protection to assess antidumping duties on all appropriate entries. Interested parties are invited to comment on these preliminary results.

DATES: Effective August 6, 2004.

SUPPLEMENTARY INFORMATION:

Background

On July 2, 2003, the Department of Commerce ("Department") published in the **Federal Register** a notice of the opportunity to request an administrative review in the above-cited segment of the antidumping duty proceeding. See 68 FR 39511. We received a timely filed request for review of 51 companies from the Pacific Northwest Berry Association, Lynden, Washington, and each of its individual members, Curt Maberry Farm, Enfield Farms, Inc., Maberry Packing, and Rader Farms, Inc. (collectively, "petitioners"). We also received timely filed requests for review from Fruticola Olmue, S.A. ("Olmue"); Santiago Comercio Exterior Exportaciones, Ltda. ("SANCO"); and Vital Berry Marketing, S.A. ("Vital Berry").¹ On August 22, 2003, we initiated an administrative review of the 51 companies. See 68 FR 50750.

On October 16, 2003, the Department determined that it was not practicable to make individual antidumping duty findings for each of the 51 companies involved in this administrative review. Therefore, we selected the following seven companies as respondents in this review: Arlavan, S.A.; C y C Group, S.A.; Olmue; SANCO; Uren Chile, S.A. ("Uren"); Valles Andinos, S.A.; and Vital Berry. See October 16, 2003, memorandum, "Individually Quick Frozen Red Raspberries from Chile: Respondent Selection," which is on file

in the Central Records Unit ("CRU") in room B-099 in the main Department building.

On October 17, 2003, the Department issued antidumping duty questionnaires to the companies listed above. We received responses from the seven companies in November and December 2003.

On January 5, 2004, we received a timely filed submission from the petitioners withdrawing their request for review for all of the companies for which they had requested an administrative review, except Uren. Because the petitioners were the only parties to request an administrative review for all companies except Olmue, SANCO, and Vital Berry, on January 15, 2004, we rescinded the administrative review with respect to all of the 51 companies mentioned above except Olmue, SANCO, Uren, and Vital Berry, in accordance with 19 CFR 351.213(d)(1) (2003). See 69 FR 2330.

On January 16, 2004, the petitioners submitted timely allegations that Olmue, SANCO, Uren, and Vital Berry made sales below the cost of production ("COP") during the period of review ("POR").

On January 21, 2004, Vital Berry withdrew its request for an administrative review. Since the petitioners had earlier withdrawn their request for review of Vital Berry and we did not receive any objections to Vital Berry's request for withdrawal, we are rescinding the administrative review with respect to Vital Berry and publishing notice of this rescission in the **Federal Register**, in accordance with 19 CFR 351.213(d)(4), at this time. See January 29, 2004, memorandum, "Partial Rescission of Administrative Review with Respect to Vital Berry Marketing, S.A.," which is on file in the CRU.

On February 18, 2004, pursuant to section 773(b) of the Tariff Act of 1930, as amended, effective January 1, 1995 by the Uruguay Round Agreements Act ("the Act"), we initiated investigations to determine whether SANCO and Uren made comparison market sales during the POR at prices below the COP, within the meaning of section 773(b) of the Act because we found that the petitioners' January 16, 2004, allegations provided a reasonable basis to believe or suspect that sales in the comparison market were made at prices below the COP. See February 18, 2004, memorandum, "Allegation of Sales Below Cost of Production for Santiago Comercio Exterior Exportaciones;" February 18, 2004, memorandum, "Allegation of Sales Below Cost of Production for Uren Chile," which are on file in the CRU.
