RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

Summary: In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board ("RRB") will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) The accuracy of the RRB's estimate of the burden of the collection of the information; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and purpose of information collection:

Self-Employment and Substantial Service Questionnaire; OMB 3220-0138.

Section 2 of the Railroad Retirement Act ("RRA") provides for payment of annuities to qualified employees and their spouses. In order to receive an age and service annuity, Section 2(e)(3) states that an applicant must stop all railroad work and give up any rights to return to such work. A disability applicant must give up all railroad work, but does not have to relinquish rights to return to railroad work until he or she attains full retirement age, or, if earlier, a spouse annuity or supplemental annuity becomes payable. Under the 1988 amendments to the RRA, an applicant is no longer required to stop work for a "Last Pre-Retirement Nonrailroad Employer" ("LPE"). LPE is defined as any non-railroad individual, company, or institution for whom an annuitant is working on the annuity beginning date, or for whom they stopped working in order to receive an annuity. Section 2(f)(6) of the RRA requires that a portion of the employee's Tier II benefit and supplemental annuity be deducted for earnings from an "LPE" employer.

The RRB currently utilizes Form AA-4, *Self-Employment and Substantial Service Questionnaire*, when an applicant claims to be self-employed to obtain information needed to determine if the applicant's work is LPE, railroad service, or self-employment. If the work is self-employment, the questionnaire identifies any months in which the
