investigations, contact William Gearhart
of the Office of the General Counsel
(202-205-3091, william.gearhart@usitc.gov). The media

Office of Public Affairs (202-205-1819,

Background: Annex 300-B, Chapter 4,
and Annex 401 of the NAFTA contain
the rules of origin for textiles and
apparel for application of the tariff
provisions of the NAFTA. These rules
are set forth for the United States in
general note 12 to the Harmonized Tariff
Schedule (HTS). According to the
USTR's request letters, U.S. negotiators
have recently reached agreements in
principle with representatives of the
governments of Canada and of Mexico,
in the case of articles covered by
investigation No. NAFTA-103-7, and
the government of Canada, in the case
of articles covered by investigation No.
NAFTA-103-8, on proposed
modifications to the rules of origin of
the NAFTA. If implemented, the
proposed rules of origin would apply to
U.S. imports from and exports to the
NAFTA parties. Section 202(q) of the
North American Free Trade Agreement
Implementation Act (the Act) authorizes
the President, subject to the
consultation and layover requirements
of section 103 of the Act, to proclaim
such modifications to the rules of origin
as are necessary to implement an
agreement with one or more of the
NAFTA countries pursuant to paragraph
2 of section 7 of Annex 300-B of the
Agreement. One of the requirements set
out in section 103 of the Act is that the
President obtain advice from the United
States International Trade Commission.

In his letters, the USTR requested that
the Commission provide advice on the
probable effect of the proposed
modification of the NAFTA rules of
origin for the five affected textile articles
on U.S. trade under the NAFTA, on total
U.S. trade, and on domestic producers
of the affected articles. As requested, the
Commission will submit its advice to
the USTR by October 19, 2004, and soon
thereafter, issue a public version of the
report with any confidential business
information deleted.

The goods of Canada and Mexico
covered by investigation No. NAFTA-

103–7 are (1) gimped nylon yarns (HTS heading 5606) and (2) woven fabrics of viscose rayon filament yarns (HTS 5408). The goods of Canada covered by investigation No. NAFTA–103–8 are (1) yarns spun from acid-dyeable acrylic tow (HTS 5509.31), (2) fabrics woven from yarns of combed camel hair or cashmere (HTS 5112.11.60 or 5112.19.95), and (3) pile fabrics containing dry spun acrylic fibers (HTS 5801.35). Additional information concerning the articles and the proposed modifications can be obtained by accessing the electronic version of this notice at the Commission Internet site (<http://www.usitc.gov>). The current NAFTA rules of origin applicable to U.S. imports can be found in general note 12 of the 2004 HTS (see “General Notes” link at http://hotdocs.usitc.gov/tariff_chapters_current/toc.htm).

Written Submissions: No public hearing is planned. However, interested parties are invited to submit written statements concerning the matters being addressed by the Commission in these investigations. Submissions should be addressed to the Secretary, United States International Trade Commission, 500 E Street, SW., Washington, DC 20436. To be assured of consideration by the Commission, written statements related to the Commission’s reports should be submitted to the Commission at the earliest practical date and should be received no later than the close of business on September 23, 2004. All written submissions must conform with the provisions of section 201.8 of the Commission’s Rules of Practice and Procedure (19 CFR 201.8). Section 201.8 of the rules requires that a signed original (or copy designated as an original) and fourteen (14) copies of each document be filed. In the event that confidential treatment of the document is requested, at least four (4) additional copies must be filed, in which the confidential business information must be deleted (see the following paragraph for further information regarding confidential business information). The Commission’s rules do not authorize filing submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the rules (see Handbook for Electronic Filing Procedures, ftp://ftp.usitc.gov/pub/reports/electronic_filing_handbook.pdf). Persons with questions regarding electronic filing should contact the Secretary (202–205–2000 or edis@usitc.gov).

Any submissions that contain confidential business information (CBI) must also conform with the

requirements of section 201.6 of the Commission’s rules (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages clearly be marked as to whether they are the “confidential” or “non-confidential” version, and that the CBI be clearly identified by means of brackets. All written submissions, except for CBI, will be made available for inspection by interested parties.

The Commission may include some or all of the CBI it receives in the reports it sends to the President. However, the Commission will not publish CBI in the public version of the reports in a manner that would reveal the operations of the firm supplying the information. The public version of the reports will be made available to the public on the Commission’s Web site.

The public record for these investigations may be viewed on the Commission’s electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing impaired individuals are advised that information can be obtained by contacting our TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000.
