2. Early Intervention Project/
Employment Services Provider Survey/
0960-NEW.

Background

The Employment Services Provider Survey is being conducted as part of a process demonstration authorized by the Ticket to Work and Work Incentives Improvement Act of 1999. The process demonstration, Early Intervention (EI), will provide employment services and supports to certain applicants for Social Security disability insurance.

The purpose of the Early Intervention Project is to encourage applicants to begin the return to work process immediately after the onset of a disability. Many experts believe early intervention to be one of the most important factors in successful rehabilitation. Therefore, EI will immediately focus on a person's ability to work as opposed to proving they are unable to work as they do during the existing title II disability determination process. The proposed process demonstration is necessary to test the instruments and procedures targeted towards these objectives.

The EI Survey

Beginning in early 2005, EI will be piloted in three states. In New Mexico, EI will be piloted in the Albuquerque, Roswell/Carlsbad/Hobbs and Clovis areas. In Vermont, EI will be piloted throughout the entire state. In Wisconsin, EI will be piloted in the following counties: Green, Jefferson, Rock, Walworth, and Waukesha.

Information collected through the IE survey will be used by SSA for the purposes of project design, implementation and evaluation. The information will assist in designing how linkages are formed between participants and providers for EI. SSA's EI project staff will use the information to identify appropriate employment service providers for project participants. Project evaluators will use the information collected from the survey as a baseline assessment of the provider market in each area. The respondents to the IE survey are employment service providers in the pilot states.

Type of Request: New information collection.

Number of Respondents: 150.

Frequency of Response: 1.

Average Burden Per Response: 30 minutes.

Estimated Annual Burden: 75 hours.

II. The information collection listed below has been submitted to OMB for clearance. Your comments on the information collection would be most useful if received by OMB and SSA within 30 days from the date of this publication. You can obtain a copy of the OMB clearance packages by calling the SSA Reports Clearance Officer at 410-965-0454, or by writing to the address listed above.
