#### Award of Category II Temporary Concession Contract for Belle Haven Marina, Alexandria, VA

**AGENCY:** National Park Service, Interior.

**ACTION:** Public notice of the Director's intent to award a 1-year Category II temporary concession contract at Belle Haven Marina in Alexandria, Virginia.

**SUMMARY:** Pursuant to 36 CFR 51.24, public notice is hereby given that the Director of the National Park Service intends to award a 1-year Category II temporary concession contract to Belle Haven Marina, Inc. in Alexandria, Virginia to avoid the interruption of visitor services. The current temporary contract between George Washington Memorial Parkway (GWMP) and Belle Haven Marina, Inc. expires December 31, 2004. The National Park Service has determined that a temporary contract is necessary in order to avoid interruption of visitor services and that all reasonable alternatives to the award of a temporary contract have been considered and found infeasible.

The term of the temporary contract will be for a period of one year. This temporary contract will provide the time for GWMP to obtain technical assistance to complete an Environmental Assessment (EA), and GWMP is planning to have the EA completed by the end of 2004. The EA will allow GWMP to make a determination of necessary and appropriate services with respect to the marina so a prospectus may be issued leading to the competitive selection of a concessioner for a new long-term concession contract for the marina.

**DATES:** The term of the temporary concession contract will be from January 1, 2005-December 31, 2005.

### Antitrust Division

#### Responses to Public Comments on Proposed Amended Final Judgment in *United States v. Alcan Inc., et al.*

Pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)-(h), the United States hereby publishes the public comments received on the proposed Amended Final Judgment in *United States v. Alcan Inc., Alcan Aluminum Corp., Pechiney, S.A., Pechiney Rolled Products, LLC*, No. 1:030 CV 02012-GK filed in the United States District Court for the District of Columbia, together with the government's responses to the comments.

On September 29, 2003, the United States filed a Complaint that alleged that Alcan Inc.'s proposed acquisition of Pechiney, S.A., would violate Section 7 of the Clayton Act, 15 U.S.C. 18, by substantially lessening competition in the sale of brazing sheet in North America. On May 26, 2004, the United

States filed a proposed Amended Final Judgment that would require the defendants to divest either Alcan's or Pechiney's brazing sheet business to a purchaser acceptable to the United States.

Public comment was invited within the statutory 60-day comment period. The public comments and the United States's responses thereto are included within the United States's Revised Certificate of Compliance with the Antitrust Procedures and Penalties Act, which appears immediately below. After publication of this Revised Certificate of Compliance in the **Federal Register**, the United States may file a motion with the Court, urging it to conclude that the proposed Amended Final Judgment is in the public interest and to enter the proposed Amended Final Judgment. Copies of the Complaint, Revised Hold Separate Stipulation and Order, proposed Amended Final Judgment, the Revised Competitive Impact Statement, and the United States's Revised Certificate of Compliance with the Antitrust Procedures and Penalties Act are currently available for inspection in Room 200 of the Antitrust Division, Department of Justice, 325 7th Street, NW., Washington, DC 20530 (telephone: (202) 514-2481) and at the Clerk's Office, United States District Court for the District of Columbia, 333 Constitution Avenue, NW., Washington, DC 20001.
