Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the Department's regulations regarding sunset reviews (19 CFR 351.218) and *Sunset Policy Bulletin*, the Department's schedule of sunset reviews, case history information (i.e., previous margins, duty absorption determinations, scope language, import volumes), and service lists available to the public on the Department's sunset Internet web site at the following address: "<http://ia.ita.doc.gov/sunset/>."

All submissions in these sunset reviews must be filed in accordance with the Department's regulations regarding format, translation, service, and certification of documents. These rules can be found at 19 CFR 351.303. Also, we suggest that parties check the Department's sunset web site for any updates to the service list before filing any submissions. The Department will make additions to and/or deletions from the service list provided on the sunset web site based on notifications from parties and participation in these reviews. Specifically, the Department

will delete from the service list all parties that do not submit a substantive response to the notice of initiation.

Because deadlines in a sunset review are, in many instances, very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of the notice of initiation of the sunset review. The Department's regulations on submission of proprietary information and eligibility to receive access to business

proprietary information under APO can be found at 19 CFR 351.304–306.

Information Required From Interested Parties

Domestic interested parties (defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b)) wishing to participate in these sunset reviews must respond not later than 15 days after the date of publication in the **Federal Register** of the notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the orders without further review. *See* 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that *all parties* wishing to participate in the sunset review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of the notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department's information requirements are distinct from the International Trade Commission's information requirements. Please consult the Department's regulations for information regarding the Department's conduct of sunset reviews.¹ Please consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

¹ In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests for extension of that five-day deadline based upon a showing of good cause.

Dated: September 17, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.

Aspirin from Turkey: Revocation of Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Revocation of the Antidumping Duty Order on Aspirin from Turkey.

SUMMARY: On July 1, 2004, the Department of Commerce (“the Department”) initiated the second sunset review of the antidumping duty order on aspirin from Turkey (69 FR 39905). Because the domestic interested parties did not participate in this sunset review, the Department is revoking this antidumping duty order.

EFFECTIVE DATE: August 20, 2004

FOR FURTHER INFORMATION CONTACT: Hilary Sadler, Esq., Office of Policy, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, D.C. 20230; telephone: (202) 482–4340.

SUPPLEMENTARY INFORMATION:

The Applicable Statute

The Department's procedures for the conduct of sunset reviews are set forth in Section 751(c) of the Tariff Act of 1930, as amended (the “Act”), and 19 CFR 351.218. Guidance on methodological and analytical issues relevant to the Department's conduct of sunset reviews is set forth in the Department's Policy Bulletin 98:3 *Policies regarding the Conduct of Five-Year Sunset Reviews of Antidumping and Countervailing Duty Orders: Policy Bulletin*, 63 FR 18871 (April 16, 1998) (“*Sunset Policy Bulletin*”).

For purposes of this sunset review, the product covered by this order is acetylsalicylic acid (aspirin) containing no additives, other than inactive substances (such as starch, lactose, cellulose, or coloring material), and/or active substances in concentrations less than that specified for particular nonprescription drug combinations of aspirin and active substances as published in the Handbook of

Nonprescription Drugs, eighth edition, American Pharmaceutical Association, and is not in tablet, capsule or similar forms for direct human consumption. This product is currently classified under the Harmonized Tariff Schedule of the United States (“HTS”) subheading 2918.22.10. The HTS number is provided for convenience and customs purposes. The written description remains dispositive.

Background

On August 25, 1987, the Department issued an antidumping duty order on aspirin from Turkey (52 FR 32030). On August 20, 1999, the Department published its notice of continuation of the antidumping duty order, following a sunset review. *See Continuation of Antidumping Duty Order: Aspirin from Turkey*, 64 FR 45508 (August 20, 1999). Pursuant to section 751(c) of the Act and 19 CFR part 351, the Department initiated the second sunset review of this order by publishing the notice of the initiation in the **Federal Register** (*See Initiation Notice*, 69 FR 39905 (July 1, 2004)). In addition, as a courtesy to interested parties, the Department sent letters, via certified and registered mail, to each party listed on the Department's most current service list for this proceeding to inform them of the automatic initiation of a sunset review of this order.

We received no response from the domestic industry by the deadline dates (*see* 19 CFR 351.218(d)(1)(i)). As a result, the Department determined that no domestic party intends to participate in the sunset review, and on July 20, 2004, we notified the International Trade Commission, in writing, that we intended to issue a final determination revoking this antidumping duty order. *See* 19 CFR 351.218(d)(1)(iii)(B).

Determination to Revoke

Pursuant to section 751(c)(3)(A) of the Act and 19 CFR 351.218(d)(1)(iii)(B)(3), if no domestic interested party responds to the notice of initiation, the Department shall issue a final determination, within 90 days after the initiation of the review, revoking the order. Because no domestic interested party filed a notice of intent or substantive response, the Department finds that no domestic interested party is participating in this review, and we are revoking this antidumping duty order effective August 20, 2004, the fifth anniversary of the date of the determination to continue the order, consistent with 19 CFR 351.222(i)(2)(i) and section 751(c)(6)(A)(iii) of the Act.
