Federal Railroad Administration

Petition for Waiver of Compliance

In accordance with Part 211 of Title 49 Code of Federal Regulations (CFR), notice is hereby given that the Federal Railroad Administration (FRA) received a request for a waiver of compliance with certain requirements of its safety standards. The individual petition is described below, including the party seeking relief, the regulatory provisions involved, the nature of the relief being requested, and the petitioner's arguments in favor of relief.

Canadian National Railway Company

(Waiver Petition Docket Number FRA–2004–18960)

The Canadian National Railway Company (CN) seeks a waiver of compliance with the *Locomotive Safety Standards*, 49 CFR 229.23, 229.27, and 229.29, as they pertain to the requirement to maintain the locomotive repair record form FRA 6180.49A, commonly referred to as the Blue Card, in the cab of their locomotives. If granted, CN would maintain locomotive inspection information in a secure data base. The data base would be maintained as the required office copy of form FRA 6180.49A. A computer generated form, which is similar to and contains all information currently contained on the required FRA 6180.49A, would be maintained on board the locomotive. In place of required signatures of persons performing inspections and tests, CN employees would be provided a unique login identification number and a secure

password to access the system and verify performance of inspections. In place of signatures, computer generated reports would block print the name of the employee performing a required inspection and block print the employee supervisor who is certifying that all inspections have been made and all repairs were completed. Required filing of the previous inspection record will be maintained through the data base.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number (FRA–2004–18960) and must be submitted to the Docket Clerk, DOT Docket Management Facility, Room PL–401 (Plaza Level), 400 7th Street, SW., Washington, DC 20590. Communications received within 45 days of the date of this notice will be considered by FRA before final action is taken. Comments received after that date will be considered as far as practicable. All written communications concerning these proceedings are available for examination during regular business hours (9 a.m.–5 p.m.) at the above facility. All documents in the public docket are also available for inspection and copying on the Internet at the docket facility's Web site at <http://dms.dot.gov>.

Surface Transportation Board

[STB Finance Docket No. 34555]

City of Tacoma, Department of Public Utilities, Beltline Division, d/b/a Tacoma Rail or Tacoma Municipal Beltline or TMBL—Acquisition and Operation Exemption—Lakeview Subdivision, Quadlok-St. Clair and Belmore-Olympia Rail Lines in Pierce and Thurston Counties, WA

The City of Tacoma, Department of Public Utilities, Beltline Division, d/b/a Tacoma Rail or Tacoma Municipal Beltline or TMBL (TMBL), a Class III rail carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to acquire and operate approximately 28 miles of rail line, and to obtain approximately 22 miles of incidental trackage rights, in Pierce and Thurston Counties, WA. Specifically, TMBL intends: (1) To acquire a freight service easement from The Burlington Northern and Santa Fe Railway Company (BNSF) from milepost 2.15 at South Tacoma to milepost 8.92 at Lakeview Junction, and from milepost 0.0 at West Lakeview to milepost 10.98 at Nisqually, a total distance of 17.75 miles in Pierce County; (2) to lease BNSF's right-of-way from milepost 3.27 at Quadlok to milepost 0.0 at St. Clair, and from milepost 16.0 at Belmore to milepost 9.07 at Olympia, a total distance of 10.2 miles in Thurston County; and (3) to obtain incidental trackage rights from BNSF from milepost 23.0 at Nisqually to milepost 37.00 at East Olympia, and to be assigned incidental trackage rights from BNSF over Union Pacific Railroad Company's rail line from milepost 0.0 at East Olympia to milepost 9.07 at Olympia.¹

Because TMBL's projected annual revenues will exceed \$5 million, it certified to the Board on September 17, 2004, that it sent the required notice of the transaction on July 29, 2004, to the national offices of all labor unions representing employees on the line and that a copy of the notice was posted at the workplace of the employees on the affected lines on July 30, 2004.²

¹ According to TMBL, an agreement has been reached between BNSF, as seller and lessor of the real estate and grantor of incidental trackage rights, and TMBL, as buyer and lessee of the real estate and grantee of incidental trackage rights.

² Inasmuch as TMBL did not certify to the Board compliance with 49 CFR 1150.42(e) 60 days prior to its intended consummation of the transaction, it sought waiver of the 60-day certification requirement. The Board denied that request in a decision served on September 27, 2004. As a consequence, this exemption is not scheduled to become effective until November 16, 2004, and the

The transaction is scheduled to be consummated on or after November 16, 2004.

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 34555, must be filed with the Surface Transportation Board, 1925 K Street NW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on: Jeffrey O. Moreno, 1920 N Street, NW., Suite 800, Washington, DC 20036, and Anne L. Spangler, 3628 South 35th Street, Tacoma, WA 98409-3115.

Board decisions and notices are available on our Web site at <http://www.stb.dot.gov>.

Decided: October 8, 2004.

By the Board, David M. Konschnik, Director, Office of Proceedings.

Vernon A. Williams,
Secretary.

DEPARTMENT OF THE TREASURY

Departmental Offices; Debt Management Advisory Committee Meeting

Notice is hereby given, pursuant to 5 U.S.C. App. 2, 10(a)(2), that a meeting will be held at the Hay-Adams Hotel, 16th and Pennsylvania Avenue, NW., Washington, DC, on November 2, 2004 at 11 a.m. of the following debt management advisory committee: Treasury Borrowing Advisory Committee of The Bond Market Association ("Committee").

The agenda for the meeting provides for a charge by the Secretary of the Treasury or his designate that the Committee discuss particular issues, and a working session. Following the working session, the Committee will present a written report of its recommendations. The meeting will be closed to the public, pursuant to 5 U.S.C. App. 2, section 10(d) and Public Law 103-202, 202(c)(1)(B) (31 U.S.C. 3121 note).

This notice shall constitute my determination, pursuant to the authority

placed in heads of agencies by 5 U.S.C. App. 2, section 10(d) and vested in me by Treasury Department Order No. 101-05, that the meeting will consist of discussions and debates of the issues presented to the Committee by the Secretary of the Treasury and the making of recommendations of the Committee to the Secretary, pursuant to Public Law 103-202, section 202(c)(1)(B). Thus, this information is exempt from disclosure under that provision and 5 U.S.C. 552b(c)(3)(B). In addition, the meeting is concerned with information that is exempt from disclosure under 5 U.S.C. 552b(c)(9)(A). The public interest requires that such meetings be closed to the public because the Treasury Department requires frank and full advice from representatives of the financial community prior to making its final decisions on major financing operations. Historically, this advice has been offered by debt management advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. App. 2, section 3.

Although the Treasury's final announcement of financing plans may not reflect the recommendations provided in reports of the Committee, premature disclosure of the Committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, this meeting falls within the exemption covered by 5 U.S.C. 552b(c)(9)(A).

Treasury staff will provide a technical briefing to the press on the day before the Committee meeting, following the release of a statement of economic conditions, financing estimates and technical charts. This briefing will give the press an opportunity to ask questions about financing projections and technical charts. The day after the Committee meeting, Treasury will release the minutes of the meeting, any charts that were discussed at the meeting, and the Committee's report to the Secretary.

The Office of Debt Management is responsible for maintaining records of debt management advisory committee meetings and for providing annual reports setting forth a summary of Committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552b. The Designated Federal Officer or other responsible agency official who may be contacted for additional information is Jeff Huther, Director, Office of Debt Management, at (202) 622-1868.
