Cash Deposit Requirements

The following deposit requirements will be effective upon publication of these final results for this administrative review for all shipments of freshwater crawfish tail meat from the PRC entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act: (1) for previously-reviewed PRC and non-PRC exporters with separate rates, the cash deposit rate will be the company-specific rate established for the most recent period; (2) for PRC exporters which do not have a separate rate, including the exporters named in the footnote above, the cash deposit rate will be the PRC-wide rate of 223.01 percent; and (3) for all other non-PRC exporters of the subject merchandise, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

Assessment of Antidumping Duties

The Department shall determine, and Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. For assessment purposes, we will direct CBP to assess the *ad valorem* rates against the entered value of each entry of the subject merchandise during the POR. The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of the final results of review. Since we have rescinded the administrative review of Shanghai Ocean Flavor, we will issue assessment instructions to CBP within 15 days of publication of this notice to liquidate the entries from this company during the POR at the cash deposit rate in effect on the date of entry.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping

duties occurred and subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department's regulations. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and notice are in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 12, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.
