The modification extends the expiration date of the Permit from December 31, 2004, to December 31, 2005, for takes of green (*Chelonia mydas*), loggerhead (*Caretta caretta*), olive ridley (*Lepidochelys olivacea*), leatherback (*Dermochelys coriacea*), hawksbill (*Eretmochelys imbricata*) and Kemp's ridley (*Lepidochelys kempii*) sea turtles. SUPPLEMENTARY INFORMATION:

Background

On 15 September 2004, the JSC published a Notice of Proposed Amendments to the Manual for Courts-Martial and a Notice of Public Meeting to receive comment on its 2004 draft annual review of the Manual for Courts-Martial. On 15 October 2004, the public meeting was held. Five individuals attended the public meeting and provided oral comment. The JSC received sixteen letters commenting on the proposed amendments.

Purpose

The proposed changes concern the rules of procedure applicable in trials by courts-martial. More specifically, the proposed changes: Amend Rules of Court-Martial and other provisions of the Manual to allow for remote testimony for certain Article 39(a), UCMJ sessions and presentencing witnesses; add the Manual for Courts-Martial provisions for newly enacted Article 119a, Death or Injury to an Unborn Child, enacted on 1 April 2004 in the Unborn Victims of Violence Act of 2004; and the addition of a new Article 134 offense of Patronizing a Prostitute.

Discussion of Comments and Changes

In response to the request for public comment the JSC received oral and written comments. The JSC considered the public comments and, after making some minor amendments, is satisfied that the proposed amendments are appropriate to implement without additional modification. The JSC will forward the public comments and the proposed amendments to the Department of Defense.

Summaries of the oral and written comments regarding the proposed substantive changes follow:

a. In two submissions, one commentator objected to the remote testimony amendments to the Rules of Courts-Martial. The commentator objected, in part, because the commentator perceived that no rationale was provided for the proposed amendments. The commentator also considered the proposed amendments to be deleterious to the military justice system.

b. Three comments were received regarding the JSC proposed Manual provisions for the new Article 119a, Death or Injury to an Unborn Child. Most of the comments highlighted the fact that the statutory language may create some practical difficulties when an actual prosecution takes place under this provision. Other comments suggested creating a definition of
