Abstract: States that wish to receive funds under the Assistive Technology Act of 1998, as amended, will be required to provide to the Rehabilitation Services Administration (RSA) a State Plan for Assistive Technology (AT). The information being requested is required by section 4(d) of the statute or is directly related to other provisions in the AT Act. RSA needs all of this information in order to determine a State's full compliance with the AT Act and to improve the performance of the program.
