SUMMARY:

Background

On June 15, 1984, the Office of Management and Budget (OMB) delegated to the Board of Governors of the Federal Reserve System (Board) its approval authority under the Paperwork Reduction Act, as per 5 CFR 1320.16, to approve of and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board under conditions set forth in 5 CFR 1320 Appendix A.1. Board-approved

collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the OMB 83-Is and supporting statements and approved collection of information instruments are placed into OMB's public docket files. At the end of the comment period, the proposed information collection, along with an analysis of comments and recommendations received, will be submitted to the Board for final approval under OMB delegated authority. Comments are invited on the following:

- Whether the proposed collection of information is necessary for the proper performance of the Federal Reserve's functions; including whether the information has practical utility;
- The accuracy of the Federal Reserve's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;
- Ways to enhance the quality, utility, and clarity of the information to be collected; and

Proposals to approve under OMB delegated authority to conduct the following survey:

Report title: 2007 Survey of Consumer Finance.

Agency form number: FR 3059.

OMB control number: 7100-0287.

Frequency: One-time survey.

Reporters: U.S. families.

Annual reporting hours: 7,500 hours.

Estimated average hours per response: Pretest and Survey, 75 minutes each.

Number of respondents: Pretest, 400 families; Survey 5,600 families.

General description of report: This information collection is voluntary. The Federal Reserve's statutory basis for collecting this information is section 2A, 14, and 19 of the Federal Reserve Act (12 U.S.C. 225(a), 353, and 461); the Bank Merger Act (12 U.S.C. 1828(c)); and sections 3 and 4 of the Bank Holding Company Act (12 U.S.C. 1842 and 1843). The names and other characteristics that would permit identification of respondents are deemed confidential by the Board and are exempt from disclosure pursuant to exemption 6 in the Freedom of Information Act (5 U.S.C. 552(b)(6)).

Abstract: For many years, the Board has sponsored consumer surveys to obtain information on the financial behavior of households. The 2007

Survey of Consumer Finance (SCF) will be the latest in a triennial series, which began in 1983, that provides comprehensive data for U.S. families on the distribution of assets and debts, along with related information and other data items necessary for analyzing financial behavior. These are the only surveys conducted in the United States that provide such financial data for a representative sample of households. Data for the SCF are collected by interviewers using a computer program. While some questions may be deleted and others modified, only minimal changes will be made to the questionnaire in order to preserve the time series properties of the data. The pretest would be conducted during 2006 and the survey would be conducted between May 2007 and January 2008.

Board of Governors of the Federal Reserve System, July 5, 2006.

Jennifer J. Johnson,
Secretary of the Board.
