

based on export prices. We will direct CBP to apply the resulting assessment rates to the entered customs values for the subject merchandise on each of the importer's entries during the review period. The Department will issue appropriate assessment instructions directly to the CBP within 15 days of publication of these final results of review.

Cash Deposit Requirements

Bonding will no longer be permitted to fulfill security requirements for shipments of brake rotors from the PRC that are manufactured and exported by Wally and Dixon, and entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of the new shipper review.

The following cash deposit rates shall be required for merchandise subject to the order, entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results, as provided by section 751(a)(1) and (a)(2)(C) of the Act: (1) The cash deposit rate for Wally (*i.e.*, for subject merchandise manufactured and exported by Wally), will be zero; (2) the cash deposit rate for Dixon (*i.e.*, for subject merchandise manufactured and exported by Dixon) will be the rate indicated above; (3) the cash deposit rate for PRC exporters who received a separate rate in a prior segment of the proceeding will continue to be the rate assigned in that segment of the proceeding; (4) the cash deposit rate for the PRC NME entity and for subject merchandise exported by Wally and Dixon but not manufactured by themselves will continue to be the PRC-wide rate (*i.e.*, 43.32 percent); and (5) the cash deposit rate for non-PRC exporters of subject merchandise from the PRC will be the rate applicable to the PRC exporter that supplied the exporter.

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this new shipper review and notice in accordance with sections 751(a)(2)(B) and 777(i) of the Act.

Dated: January 18, 2006.

David Spooner,

Assistant Secretary for Import Administration.

Notice of Extension of Time Limit for Final Results of Antidumping Duty Administrative Review: Honey From the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: January 25, 2006.

FOR FURTHER INFORMATION CONTACT: Anya Naschak or Kristina Boughton, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-6375 and (202) 482-8173, respectively.

SUPPLEMENTARY INFORMATION:

Background

The Department of Commerce (the Department) published the preliminary results of the antidumping duty administrative review on honey from the People's Republic of China on December 16, 2005. *Honey from the People's Republic of China: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review*, 70 FR 74764 (December 16, 2005).

Extension of Time Limits for Final Results

Pursuant to Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), and section 351.213(h)(1) of the Department's regulations, the Department shall issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides that the Department shall issue the final results of review within 120 days after the date on which the notice of the preliminary results was published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations allow the Department to extend the 245-day period to 365 days and the 120-day period to 180 days.

On January 3, 2006, at the request of respondents, the Department granted all parties additional time to submit surrogate value information. The Department also extended the deadline for parties to submit briefs. As a result of these extensions and the complex issues raised in this review segment, including honey valuation and intermediate input methodology, the Department has determined that it is not practicable to complete this administrative review within the current time limit.

Section 751(a)(3)(A) of the Act and section 351.213(h) of the Department's regulations allow the Department to extend the deadline for the final results of a review to a maximum of 180 days from the date on which the notice of the preliminary results was published. For the reasons noted above, the Department is extending the time limit for the completion of these final results until no later than Friday, June 9, 2006, which is 175 days from the date on which the notice of the preliminary results was published.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: January 19, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Large Newspaper Printing Presses and Components Thereof, Whether Assembled or Unassembled, From Japan: Extension of Final Results of Changed Circumstances Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: January 25, 2006.

FOR FURTHER INFORMATION CONTACT: David Goldberger or Kate Johnson, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-4136 and (202) 482-4929, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 13, 2005, the Department published the preliminary results of its changed circumstances review. We self-initiated the review to consider information contained in a recent Federal court proceeding, *Goss International Corp. v. Tokyo Kikai Seisakusho, Ltd.*, 321 F.Supp.2d 1039 (N.D. Iowa 2004) (*Goss Int'l*), that Tokyo Kikai Seisakusho, Ltd. provided inaccurate and incomplete information to the Department during the 1997-1998 administrative review. See *Large Newspaper Printing Presses and Components Thereof, Whether Assembled or Unassembled, from Japan: Preliminary Results of Changed Circumstances Review*, 70 FR 54019 (September 13, 2005) and *Large Newspaper Printing Presses and Components Thereof, Whether Assembled or Unassembled, from Japan: Notice of Initiation of Changed Circumstances Review*, 70 FR 25414 (May 10, 2005). Because the issues involved in this case are novel and complex, we are extending the time for completion of the final results by 30 days, until March 1, 2006, in order to further consider the comments submitted by interested parties. See 19 CFR 351.302(b).

Dated: January 19, 2006.

Certain Softwood Lumber Products from Canada: Extension of Time Limit for Preliminary Results of Countervailing Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: January 25, 2006.

FOR FURTHER INFORMATION CONTACT: Stephanie Moore or Eric B. Greynolds at (202) 482-3692 or (202) 482-6071, respectively, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On June 30, 2005, the Department initiated an administrative review of the countervailing duty order on certain softwood lumber products from Canada. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 70 FR 37749. The preliminary results are currently due no later than January 31, 2006.

Extension of Time Limit for Preliminary Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the preliminary results of a review within 245 days after the last day of the anniversary month of an order/finding for which a review is requested and the final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days and for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of the publication of the preliminary results.

The subsidy programs covered by this review are extraordinarily complicated.

In addition, because this administrative review is being conducted on an aggregate level, the Department must analyze large amounts of data from each of the Canadian Provinces as well as data from the Canadian Federal Government. Therefore, the Department is fully extending the time limit for completion of the preliminary results to May 31, 2006. The final results continue to be due 120 days after publication of the preliminary results.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: January 17, 2006.

Deputy Assistant Secretary for Import Administration.
