SUPPLEMENTARY INFORMATION: This notice informs the public that the Department of Housing and Urban Development has submitted to OMB a request for approval of the Information collection described below. Chapter 35 as amended), this notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) evaluate the accuracy of the agency's

The notice also lists the following information:

Title of Proposal: Public Housing Agency (PHA) Annual and 5-Year Plan.

OMB Control Number: 2577-0226.

Description of the Need for the Information and Proposed Use: Public Housing Agencies (PHAs) submit an annual plan for each fiscal year for which the PHA received tenant-based assistance and public housing operating subsidy. This plan provides a framework for local accountability and to the extent possible, an easily identifiable source by which public housing residents, participants in the housing choice voucher program, and other members of the public may locate housing and services. The PHA plan is a web-based application (allowing PHAs to retrieve the applicable templates) that allows PHAs to provide their plans to HUD via the Internet. The system allows HUD to track plans every year with limited reporting and any changes from the previous submission.

This Notice collection proposes to significantly streamline the Five-Year PHA Plan and Annual Plan process by limiting annual plan submissions to only four elements, as required by statute, and any element that is challenged. This revision further streamlines the PHA Annual Plan

process by allowing PHAs to certify when no changes have occurred to these documents since its last submission. These changes are proposed to take effect for all PHAs with fiscal years beginning April 1, 2007.

The new streamlined Plan template (HUD-50075) will be used by all PHAs, including small PHAs, high performance PHAs, standard performance PHAs, poor performance PHAs, and Section 8 only PHAs. The new streamlined Plan template eliminates the use of the HUD-50075-SF and HUD-50075-SA since all PHAs will use the revised HUD-50075. The new Five-Year and Annual Plan template is reduced from a 42-page document to a 10-page document.

The new Plan template streamlines the process for PHAs, having only to

indicate whether or not a component is being updated and submit for field office review only those plan content documents required by law and/or regulation (capital improvements, demolition and disposition, deconcentration, civil rights, and challenged elements). Using the revised Plan template (HUD-50075) for annual plans, PHAs will simply indicate by checking yes or no whether or not a component in their last approved Plan is being updated with the current Five-Year or Annual Plan submission cycle. If no change has been made, significant or otherwise, to a PHA's (1) Capital Fund Program Annual Statement, (2) Demolition and Disposition Statement, or (3) Deconcentration Policy, since the submission of its last approved plan, a PHA may simply certify that there has

been no change to one or more of these documents and avoid resubmission in the current cycle. Five-Year plans will continue to include all elements required under the regulations (24 CFR 903.7).

The newly revised Five-Year and Annual Plan template, as proposed, eliminates unnecessary submission requirements, helping to reduce the administrative burden on PHAs, as well as associated costs.
