Notice Concerning Airport Advisory Service at Certain Airports in the Continental United States, Excluding Alaska

AGENCY: Federal Aviation Administration (FAA).

ACTION: Request for public comment.

SUMMARY: The FAA is requesting public comment on the Airport Advisory Service provided at twenty (20) airports in the continental United States, excluding Alaska.

The FAA is particularly interested in comments concerning the necessity of the service, the availability of the service, the importance of the

service, and how often the service is used. Users are also welcome to include comments concerning any other aspect of your experience with Airport Advisory Service.
