Of the requested amount, approximately \$12 million would be required to fully fund applications for the AP Test Fee program. The remaining funds would support API grants. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Estimated Range of Awards: \$15,000–\$500,000.

Estimated Average Size of Awards: \$171,000.

Note: The Department is not bound by any estimates in this notice.

Statutory Funding Requirement: In accordance with section 1703 of the Elementary and Secondary Education Act of 1965, as amended (ESEA), the Department gives priority to applications submitted under this competition over applications submitted under the API program competition (CFDA No. 84.330C).

Award Basis: The Department intends to fund, at some level, all applications that meet the minimum Requirements for Approval of Application as described in the application package for this competition and that demonstrate need for new or additional funds for FY 2007. Also, in determining whether to approve an application for a new award (including the amount of the award) from an applicant with a current grant under the program, the Department will consider the amount of any carryover funds under the existing grant.
