[Docket No. AD07-3-006]

Review of Cost Submittals by Other Federal Agencies for Administering Part I of the Federal Power Act; Notice of Technical Conference

March 8, 2007.

In its Order On Rehearing Consolidating Administrative Annual Charges Bill Appeals And Modifying Annual Charges Billing Procedures (109 FERC ¶ 61,040), the Commission set forth an annual deadline for Other Federal Agencies (OFAs) to submit their costs related to Administering Part I of the Federal Power Act. The Commission required the OFAs to submit their costs by December 31st of each fiscal year using the OFA Cost Submission Form. The order also announced that a technical conference would be held for the purpose of reviewing the submitted cost forms and detailed supporting documentation.

At the request of several agencies, the Commission extended the December 31, 2006, deadline to allow agencies to improve their costs submissions. With all cost reports received, the Commission now proceeds with the review process.

The Commission will hold a technical conference for reviewing the submitted OFA costs. The purpose of the conference will be for OFAs and licensees to discuss costs reported in the forms and any other supporting documentation or analyses.

The Conference will be held on March 29, 2007, in Conference Room 3M-2A/B at the Commission's headquarters at 888 First Street, NE., Washington, DC. The conference will begin at 2 p.m. (EST).
