

as guaranteed time sensitive make goods. DBS providers may not use class distinctions to defeat the purpose of the lowest unit charge requirement. All classes must be fully disclosed and made available to candidates.

47 CFR 25.701(c)(1)(i)(D) states DBS providers may establish reasonable classes of preemptible with notice time so long as they clearly define all such classes, fully disclose them and make them available to candidates.

47 CFR 25.701(c)(1)(i)(E) states DBS providers may treat non preemptible and fixed position as distinct classes of time provided that they articulate clearly the differences between such classes, fully disclose them, and make them available to candidates.

47 CFR 25.701(c)(1)(i)(I) states DBS providers shall review their advertising records periodically throughout the election period to determine whether compliance with this section requires that candidates receive rebates or credits. Where necessary, DBS providers shall issue such rebates or credits promptly.

47 CFR 25.701(c)(1)(i)(M) states DBS providers must disclose and make available to candidates any make good policies provided to commercial advertisers. If a DBS provider places a make good for any commercial advertiser or other candidate in a more valuable program or daypart, the value of such make good must be included in the calculation of the lowest unit charge for that program or daypart.

47 CFR 25.701(c)(1)(ii) states at any time other than the respective periods set forth in paragraph (c)(1)(i) of this section, DBS providers may charge legally qualified candidates for public office no more than the charges made for comparable use of the facility by commercial advertisers. The rates, if any, charged all such candidates for the same office shall be uniform and shall not be rebated by any means, direct or indirect. A candidate shall be charged no more than the rate the DBS provider would charge for comparable commercial advertising. All discount privileges otherwise offered by a DBS provider to commercial advertisers must be disclosed and made available upon equal terms to all candidates for public office.

47 CFR 25.701(d) states each DBS provider shall keep and permit public inspection of a complete and orderly political file and shall prominently disclose the physical location of the file, and the telephonic and electronic means to access the file.

(1) *The political file shall contain, at a minimum:*

(i) A record of all requests for DBS origination time, the disposition of those requests, and the charges made, if any, if the request is granted. The "disposition" includes the schedule of time purchased, when spots actually aired, the rates charged, and the classes of time purchased; and

(ii) A record of the free time provided if free time is provided for use by or on behalf of candidates.

(2) DBS providers shall place all records required by this section in a file available to the public as soon as possible and shall be retained for a period of four years until December 31, 2006, and thereafter for a period of two years.

47 CFR 25.701(e)(3) requires DBS providers airing children's programming must maintain records sufficient to verify compliance with this rule and make such records available to the public. Such records must be maintained for a period sufficient to cover the limitations period specified in 47 U.S.C. 503(b)(6)(B).

47 CFR 25.701(f)(6) states: In addition to the political file requirements in Sec. 25.701(d), each DBS provider shall keep and permit public inspection of a complete and orderly record of:

(A) Quarterly measurements of channel capacity and yearly average calculations on which it bases its four percent reservation, as well as its response to any capacity changes;

(B) A record of entities to whom noncommercial capacity is being provided, the amount of capacity being provided to each entity, the conditions under which it is being provided and the rates, if any, being paid by the entity;

(C) A record of entities that have requested capacity, disposition of those requests and reasons for the disposition.

(ii) All records required by this paragraph shall be placed in a file available to the public as soon as possible and shall be retained for a period of two years.

FEDERAL COMMUNICATIONS COMMISSION

Federal Advisory Committee Act; Communications Security, Reliability and Interoperability Council

AGENCY: Federal Communications Commission.

ACTION: Notice of intent to establish.

SUMMARY: In accordance with the Federal Advisory Committee Act, the purpose of this notice is to announce that a Federal Advisory Committee, known as the "Communications Security, Reliability and Interoperability Council" (hereinafter the "Council") is being established.

ADDRESSES: Federal Communications Commission, Public Safety & Homeland Security Bureau, Attn: Lisa M. Fowlkes, 445 12th Street, SW., Room 7-C753, Washington, DC 20554.

FOR FURTHER INFORMATION CONTACT: Lisa M. Fowlkes, Federal Communications Commission, Public Safety & Homeland Security Bureau, 445 12th Street, SW., Room 7-C753, Washington, DC 20554. Telephone: (202) 418-7452, e-mail: lisa.fowlkes@fcc.gov.

SUPPLEMENTARY INFORMATION: The Chairman of the Federal Communications Commission has determined that the establishment of the Council is necessary and in the public interest in connection with the performance of duties imposed on the Federal Communications Commission ("FCC" or "Commission") by law. The Committee Management Secretariat, General Services Administration concurs with the establishment of the Council. The purpose of the Council is to provide recommendations to the FCC to ensure optimal security, reliability and interoperability of communications systems, including telecommunications, media and public safety communications systems. This Council will replace the Network Reliability and Interoperability Council (NRIC) and the Media Security and Reliability Council (MSRC). The Council's duties will include: (1) Recommending to the FCC best practices to ensure the security, reliability, operability and interoperability of public safety communications systems; (2) evaluating ways to strengthen the collaboration between communication service providers and public safety agencies during emergencies; (3) recommending to the FCC ways to improve the Emergency Alert System (EAS), including best practices for EAS; (4) recommending to the FCC steps necessary to better prepare for shifts in communications usage patterns that likely would result from a pandemic flu outbreak; (5) recommending to the FCC technologies and systems that can best facilitate the communication of emergency information to and from hospitals, schools, day care facilities and other facilities that provide vital public services; (6) developing and

recommending to the FCC best practices to facilitate the communication of emergency information to the public, including people who do not speak English, individuals with disabilities, the elderly and people living in rural areas; (7) recommending to the FCC methods by which the communications industry can reliably and accurately measure the extent to which key best practices are implemented; (8) reviewing and recommending to the FCC updates of existing NRIC and MSRC best practices; (9) reviewing the deployment of Internet Protocol (IP) as a network protocol for critical next generation infrastructure, including emergency/first responder networks; and (10) reviewing and recommending to the FCC an implementation plan for the "emergency communications internetwork" advocated by NRIC VII, Focus Group 1D in its December 2005 Final Report.
