Bureau of Educational and Cultural Affairs (ECA) Request for Grant Proposals: International Visitor Leadership Program Assistance Awards

Announcement Type: New Cooperative Agreement.

Funding Opportunity Number: ECA/PE/V-08-01.

Catalog of Federal Domestic Assistance Number: 19.402.

Key Dates: October 1, 2007–September 30, 2008 (pending availability of funds).

Application Deadline: June 12, 2007.

Executive Summary: The Office of International Visitors, Division of Professional and Cultural Exchanges, Bureau of Educational and Cultural Affairs (ECA/PE/V), United States Department of State (DoS) announces an open competition for two assistance awards to develop and implement International Visitor Leadership Programs (IVLP). The IVLP seeks to increase mutual understanding between the U.S. and foreign publics through carefully designed professional programs for approximately 4,500 foreign visitors per year from all regions of the world. The two awards will fund programming for a minimum of 610 and a maximum of 1,576 International Visitors (IVs). Award A will fund up to approximately 1,576 visitors (\$4,570,886), of which approximately 1,436 visitors (\$4,286,136) will be through core administrative funding; approximately 120 visitors (\$220,890) will be through additional seasonal administrative funding, if required; and approximately 20 visitors (\$63,860) will be for administrative support of the PL 80-402 Training Fellowship Program. Award B will fund up to approximately 610 visitors (\$1,122,760), of which approximately 490 visitors (\$843,310) will be through core administrative funding and approximately 120 visitors (\$279,449) will be through additional seasonal administrative funding, if required. Applicant organizations may bid on one or both awards. Pending availability of funds, one assistance award will be made for each category described above. If an organization is interested in bidding on more than one award, a separate proposal and budget is required for each award. See Project Objectives, Goals, and Implementation (POGI) for definitions of program-related terminology.

The intent of this announcement is to provide the opportunity for organizations to develop and implement

a variety of programs for International Visitors from multiple regions of the world. Please refer to the POGI for a breakdown of regions. The award recipients will function as national program agencies (NPAs) and will work closely with Department of State (DoS) Bureau staff, who will guide them through programmatic, procedural, and budgetary issues for the full range of IVL programs. (Hereafter, the terms "award recipient" and "national program agency" will be used interchangeably to refer to the grantee organization[s].)

I. Funding Opportunity Description

Authority: Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries * * *; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations * * * and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

Purpose: Program Information.

Overview: The International Visitor Leadership Program seeks to increase mutual understanding between the U.S. and foreign publics through carefully designed professional programs. IVL programs support U.S. foreign policy objectives. Participants are current or potential foreign leaders in government, politics, media, education, science, labor relations, non-government organizations (NGOs), the arts, and other key fields. They are selected by officers of U.S. embassies overseas and are approved by the DoS staff in Washington, DC. Since the program's inception in 1940, there have been over 140,000 distinguished participants in the program. Over 225 program alumni subsequently became heads of state or government in their home countries. All IVL programs must maintain a non-partisan character.

The Bureau seeks proposals from nonprofit organizations for development and implementation of professional programs for Bureau-sponsored International Visitors to the U.S. Once the awards are made, separate proposals will be required for each group project [Single Country (SCP), Sub-Regional

(SRP), Regional (RP), and Multi-Regional (MRP)] as well as less formal proposals for Individual and Individuals Traveling Together (ITT) programs. At this time, proposals are not required for Voluntary Visitor (VolVis) programs. Each program will be focused on a substantive theme. Some typical IVL program themes are: (1) U.S. foreign policy; (2) U.S. government and political system; (3) economic development; (4) education; (5) media; (6) information technology; (7) freedom of information; (8) NGO management; (9) women's issues; (10) tolerance and diversity; (11) counterterrorism; (12) democracy and human rights; (13) rule of law; (14) international crime; and (15) environmental issues. IVL programs must conform to all Bureau requirements and guidelines. Please refer to the Program Objectives, Goals, and Implementation (POGI) document for a more detailed description of each type of IVL program.

Guidelines: Goals and objectives for each specific IVL program will be shared with the award recipients at an appropriate time following the announcement of the assistance awards. DoS will provide close coordination and guidance throughout the duration of the awards. Award recipients will consult closely with the responsible ECA/PE/V program officer throughout the development, implementation, and evaluation of each IVL program. Prospective program agencies should demonstrate the potential to develop the following types of programs.

1. Programs must contain substantive meetings that focus on foreign policy goals and program objectives and are presented by experts. Meetings, site visits, and other program activities should promote dialogue between participants and their U.S. professional counterparts. Programs must be balanced to show different sides of an issue.

2. Most programs will be three weeks long and will begin in Washington, DC, with an orientation and overview of the issues and a central examination of federal policies regarding these issues. Well-paced program itineraries usually include visits to four or five communities. Program itineraries ideally include urban and rural small communities in diverse geographical and cultural regions of the U.S., as appropriate to the program theme.

3. Programs should provide opportunities for participants to experience the diversity of American society and culture. Participants in RPs or MRPs are divided into smaller subgroups for simultaneous visits to different communities, with subsequent

opportunities to share their experiences with the full group once it is reunited.

4. Programs should provide opportunities for the participants to share a meal or similar experience (home hospitality) in the homes of Americans of diverse occupational, age, gender, and ethnic groups. Some individual and group programs might include an opportunity for an overnight stay (home stay) in an American home.

5. Programs should provide opportunities for participants to address student, civic and professional groups in relaxed and informal settings.

6. Participants should have appropriate opportunities for site visits and hands-on experiences that are relevant to program themes. The award recipients may propose professional "shadowing" experiences with U.S. professional colleagues for some programs (a typical shadowing experience means spending a half- or full-workday with a professional counterpart).

7. Programs should also allow time for participants to reflect on their experiences and, in group programs, to share observations with program colleagues. Participants should have opportunities to visit cultural and tourist sites.

8. The award recipients must make arrangements for community visits through affiliates of the National Council for International Visitors (NCIV). In cities where there is no such council, the award recipients will arrange for coordination of local programs.

Qualifications:

1. Proposals must demonstrate a minimum of four years of successful experience in coordinating international exchanges.

2. Proposals must demonstrate the ability to develop and administer IVL programs.

3. Proposals must demonstrate an applicant's broad knowledge of international relations and U.S. foreign policy issues.

4. Proposals must demonstrate an applicant's broad knowledge of the United States and U.S. domestic issues.

5. Award recipients must have a Washington, DC, presence. Applicants who do not currently have a Washington, DC, presence must include a detailed plan in their proposal for establishing such a presence by October 1, 2007. The costs related to establishing such a presence must be borne by the award recipient. No such costs may be included in the budget submission in this proposal. The award recipient must have e-mail capability, access to Internet resources, and the ability to exchange

data electronically with all partners involved in the International Visitor Leadership program.

6. Proposals must demonstrate that an applicant has an established resource base of programming contacts and the ability to keep this resource base continuously updated. This resource base should include speakers, thematic specialists, or practitioners in a wide range of professional fields in both the private and public sectors.

7. All proposals must demonstrate sound financial management.

8. All proposals must contain a sound management plan to carry out the volume of work outlined in the Project Objectives, Goals, and Implementation guidelines (POGI). This plan should include an appropriate staffing pattern and a work plan/timeframe.

9. Proposals must describe capacity to employ additional staff during particularly busy months of the IVLP cycle and to assume additional projects, if requested. Award A must include separate proposals and budgets for: (a) Three seasonal staff teams (two 4-month and one 7-month) and (b) administration of the PL 80-402 Training Fellowship Program. (See the POGI document for more details on this program.) Award B must include a separate proposal and budget for two 7-month seasonal staff teams.

10. Applicants must include in their proposal narrative a discussion of "lessons learned" from past exchange coordination experiences, and how these will be applied in implementing the International Visitor Leadership Program.

11. Award recipients must have the capability to utilize the world wide Web for the electronic retrieval of program data from the Department of State's IVLP website. The award recipient's office technology must be capable of exchanging information with all partners involved in the International Visitor Leadership program. The award recipient must have the capability to electronically communicate through eNPA (Electronic National Program Agency), the software application that allows award recipients to share information and data electronically through the Department of State's Exchange Visitor Database (EVDB-e) and with the Councils for International Visitors (CIVs), as well as to produce a national program book and other supporting documents (e.g., appointment requests and confirmations, participant welcome letters, and mailing labels) generated directly into Microsoft Word.

12. Applicants must include as a separate attachment under TAB G of their proposals the following:

a. Samples of at least two schedules for international exchange or training programs that they have coordinated within the past four years that they are particularly proud of and that they feel demonstrate their organization's competence and abilities to conduct the activities outlined in the RFGP;

b. Samples of orientation and evaluation materials used in past international exchange or training programs.

Requirements for Past Performance References:

Instead of Letters of Endorsement, DoS will use past performance as an indicator of an applicant's ability to successfully perform the work. TAB E of the proposal must contain between three and five references who may be called upon to discuss recently completed or ongoing work performed for professional exchange programs (which may include the IVL program). The reference must contain the information outlined below. Please note that the requirements for submission of past performance information also apply to all proposed sub-recipients when the total estimated cost of the sub-award is over \$100,000.

At a minimum, the applicant must provide the following information for each reference:

- Name of the reference organization.
- Project name.
- Project description.
- Performance period of the contract/grant.
- Amount of the contract/grant.
- Technical contact person and telephone number for referenced organization.
- Administrative contact person and telephone number for referenced organization.

DoS may contact representatives from the organizations cited in the examples to obtain information on the applicant's past performance. DoS also may obtain past performance information from sources other than those identified by the applicant.

Personnel: Applicants must include complete and current resumes of the key personnel who will be involved in the program management, design, and implementation of IVL programs. Each resume is limited to two pages per person.

Budget Guidelines:

Applicants are required to submit a comprehensive line-item administrative budget in accordance with the instructions in the Solicitation Package (Proposal Submission Instructions.) The

submission must include a summary budget and a detailed budget showing all administrative costs. Proposed staffing and costs associated with staffing must be appropriate to the requirements outlined in the RFGP and in the Solicitation Package. Cost sharing is encouraged and should be shown in the budget presentation.

The Department of State is seeking proposals from public and private nonprofit organizations that are not already in communication with DoS regarding an FY-2008 assistance award from ECA/PE/V. All applicants must have a minimum of four years' experience conducting international exchanges, an ability to closely consult with DoS staff throughout program administration, and proven fiscal management integrity. Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

The Bureau of Educational and Cultural Affairs, as sponsor and manager of the International Visitor Leadership Program, plays a significant role in the planning, implementation, and evaluation of all types of International Visitor Leadership Programs and is responsible for all communication with overseas missions. The Bureau will provide close coordination and guidance throughout the duration of the awards. Award recipients will consult closely with the responsible ECA/PE/V program officer throughout the development, implementation, and evaluation of each IVL program.

All liaison shall be with the designated elements of the DoS relative to the following responsibilities incurred by the recipient under this agreement:

III. Eligibility Information

III.1. Eligible Applicants

Applications may be submitted by public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3).

III.2. Cost Sharing or Matching Funds

There is no minimum or maximum percentage required for this competition. However, the Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

When cost sharing is offered, it is understood and agreed that the applicant must provide the amount of cost sharing as stipulated in its proposal and later included in an approved grant agreement. Cost sharing may be in the form of allowable direct or indirect costs. For accountability, award recipients must maintain written records to support all costs which are claimed as its contribution, as well as costs to be paid by the Federal government. Such records are subject to audit. The basis for determining the value of cash and in-kind contributions must be in accordance with OMB Circular A-110, (Revised), Subpart C.23—Cost Sharing and Matching. In the event the recipient organization does not provide the minimum amount of cost sharing as stipulated in the approved budget, ECA's contribution will be reduced in like proportion.

III.3. Other Eligibility Requirements

a. Bureau cooperative agreement guidelines require that organizations with less than four years experience in conducting international exchanges be limited to \$60,000 in Bureau funding. ECA anticipates awarding two cooperative agreements: Award A is an amount up to \$4,570,886; Award B is an amount up to \$1,122,760 to support program and administrative costs required to implement this exchange

program. Therefore, organizations with less than four years experience in conducting international exchanges are ineligible to apply under this competition. Program costs will be transferred directly to the award recipient based upon International Visitor workload, and should not be included in the proposal. The Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

b. **Technical Eligibility:** All proposals must comply with the technical eligibility requirements specified in the Proposal Submission Instructions (PSI) and the Project Objectives, Goals, and Implementation (POGI) documents. Failure to do so will result in proposals being declared technically ineligible and given no further consideration in the review process.

IV.3d. Please take into consideration the following information when preparing the proposal narrative:

IV.3d.1 Adherence to all regulations governing the J Visa: The Bureau of Educational and Cultural Affairs is placing renewed emphasis on the secure and proper administration of Exchange Visitor (J visa) Programs and adherence by grantees and sponsors to all regulations governing the J visa.

Therefore, proposals should demonstrate the applicant's capacity to meet all requirements governing the administration of the Exchange Visitor Programs as set forth in 22 CFR part 62, including the oversight of Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, recordkeeping, reporting and other requirements. Please refer to Solicitation Package for further information.

IV.3d.2. Diversity, Freedom and Democracy Guidelines Pursuant to the Bureau's authorizing legislation, programs must maintain a non-political character and should be balanced and representative of the diversity of American political, social, and cultural life. "Diversity" should be interpreted in the broadest sense and encompass differences including, but not limited to ethnicity, race, gender, religion, geographic location, socio-economic status, and disabilities. Applicants are strongly encouraged to adhere to the advancement of this principle both in program administration and in program content. Please refer to the review criteria under the 'Support for Diversity' section for specific suggestions on incorporating diversity into your proposal. Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," the Bureau "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Public Law 106-113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

IV.3d.3. Program Monitoring and Evaluation

Successful monitoring and evaluation depend heavily on setting clear objectives and outcomes at the outset of a program. In support of the Bureau's evaluation goals, the Office of International Visitors will administer a post-program evaluation survey to each International Visitor upon conclusion of the program.

In addition, applicants must monitor and evaluate the program's success, both as activities unfold and at the end of each program. (See Project Objectives, Goals and Implementation (POGI) document.) Proposal submissions should include a monitoring and evaluation plan that demonstrates: An understanding of overall IVLP goals, as well as the objectives of assigned projects; the anticipated results and outcomes, including specific changes in International Visitors' behavior, knowledge, skills, and status resulting from the program activities; and the link between the outcomes and the original project objectives.

Proposals should further demonstrate how applicants will obtain an understanding of the goals and objectives of each assigned IVL program, and how applicants will review and analyze the outcomes and results upon conclusion of each IVL program. For regional and multi-regional programs, participation at a final oral evaluation session is expected and a final program report is required. (See Project Objectives, Goals and Implementation (POGI) document.) Proposal submissions should demonstrate how award recipients will apply the feedback provided by International Visitors to strengthen the overall goals and objectives of the International Visitor Leadership Program.

IV.3d.4. Program Management

Proposals should describe the applicant's plans for: Overall program management, staffing, coordination with ECA and PAS or any other requirements, sustainability etc.

IV.3e. Please take the following information into consideration when preparing the proposed budget:

IV.3e.1. Applicants must submit a comprehensive budget for the entire program. Funding levels are listed under Section II of this announcement. There must be a summary budget as well as breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification.

IV.3e.2. Allowable costs for the program include the following:

TENNESSEE VALLEY AUTHORITY

Final Environmental Impact Statement—Nolichucky Reservoir Flood Remediation Project

AGENCY: Tennessee Valley Authority (TVA).

ACTION: Issuance of Record of Decision.

SUMMARY: This notice is provided in accordance with the Council on Environmental Quality's regulations (40 CFR parts 1500 to 1508) and TVA's procedures implementing the National Environmental Policy Act. TVA has decided to adopt Alternative A—No Action, the preferred alternative identified in its Final Environmental Impact Statement (EIS), Nolichucky Reservoir Flood Remediation Project. In implementing Alternative A, TVA would continue to provide updated flood level information to local agencies and individuals. This would not preclude TVA working with individual landowners to address problems in the future. TVA would take no other action to address the impacts of flooding of private land and property around Nolichucky Reservoir.

Policy, Tennessee Valley Authority, 400 West Summit Hill Drive WT 11B, Knoxville, Tennessee 37902-1401; telephone (865) 632-3582 or e-mail cpnicholson@tva.gov.

SUPPLEMENTARY INFORMATION:

Nolichucky Dam was built by the Tennessee Eastern Electric Company in 1913 at mile 46 on the Nolichucky River, about 7.5 miles south of Greeneville, Greene County, Tennessee. Nolichucky Reservoir, also known as Davy Crockett Lake, extends upstream about 6 miles from the dam. TVA acquired the project in 1945 and operated it as a single-purpose power production facility. By 1945, sand and silt from mining in the upper Nolichucky watershed in western North Carolina had begun to fill the reservoir. The sediment in the reservoir continued to accumulate to the point that TVA removed the electric generators from service between 1965 and 1972. Since 1972, the project has been jointly managed by TVA, the Tennessee Wildlife Resources Agency, and local organizations for wildlife management, environmental education, and recreation.

The Federal government owns approximately 1,400 acres of land under and around Nolichucky Reservoir and holds easements giving it the right to flood an additional 370 acres of land along this part of the river. At the time TVA acquired these landrights in 1945, the landrights did not include all of the area affected by Nolichucky Dam during flood events. Since then, the 100-year flood elevation has increased up to 10 feet due to the accumulated sediment in the reservoir. The federal landrights include about 54 percent of the area within the present 500-year floodplain and about 63 percent of the area within the 100-year floodplain.

TVA published a Notice of Intent to prepare this EIS in the **Federal Register** on January 12, 2000. Public and agency scoping meetings were held on January 20, 2000; 52 people attended the public scoping meeting. Scoping comments were received from one Federal agency, one nongovernmental organization, and seven individuals. Following a series of agency and public workshops, the Draft EIS was released in January 2002 and the Notice of Availability of the Draft EIS was published in the **Federal Register** on February 8, 2002. TVA held a public meeting on the Draft EIS in on February 21, 2002 and accepted comments through March 29, 2002. Comments on the Draft EIS were received from 65 individuals. Two federal agencies and three state agencies. The Notice of Availability for
