SUMMARY: The Federal Transit Administration (FTA) is holding a public meeting on the Buy America second notice of proposed rulemaking (SNPRM). SUPPLEMENTARY INFORMATION: On November 28, 2005, FTA published an NPRM in the **Federal Register** (70 FR 71246) discussing a number of proposals as mandated by SAFETEA-LU and to provide further clarification of existing FTA decisions on Buy America. Due to the complexity of many of the Buy America issues addressed in the NPRM and the divergence of opinion on important areas, FTA issued

a final rule that addressed fewer issues than proposed in the NPRM. (71 FR 14112, March 21, 2006.) These more routine topics covered in the final rule included: (1) Administrative review; (2) A definition of "negotiated procurement;" (3) A definition of "contractor;" (4) Repeal of the general waiver for Chrysler vehicles; (5) Certification under negotiated procurements; (6) Pre-award and post-award review of rolling stock purchases; and (7) Miscellaneous corrections and clarifications to the Buy America regulations.

FTA issued a second notice of proposed rulemaking (SNPRM) on November 30, 2006, to address the remaining issues identified in the NPRM, but not covered in the final rule, including: (1) Justification for public interest waiver; (2) Microprocessor and post-award waivers; (3) Definition of "final assembly;" (4) The definition of "end product," "system end products," and a representative list of end products; and (5) Proposed changes to communication equipment and the list of rolling stock items in Part 661.

During the public meeting on February 13th and 14th at DOT headquarters, FTA staff will summarize its proposals in the SNPRM and staff will be available to answer questions regarding those proposals. This is an opportunity for affected parties to receive clarification regarding FTA's proposals. The public meeting is not, however, an opportunity to submit comments to FTA regarding the proposals contained in the SNPRM. Rather, interested parties should submit their comments to the docket for this rulemaking as described in the **ADDRESSES** section of this notice.

In addition, because of the complexity of the issues involved in the SNPRM, FTA is extending the comment period for the SNPRM until February 28, 2007. This additional time should be sufficient to allow those who attend the public meeting to submit comments to the docket for this rulemaking.

Issued this 10th day of January, 2007.

James S. Simpson,

Administrator.
