BILLING CODE 4410-10-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5125-N-17]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Kathy Ezzell, room 7266, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus

Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to John Hicks, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other

purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: ENERGY: Mr. John Watson, Department of Energy, Office of Engineering & Construction Management, ME-90, 1000 Independence Ave., SW., Washington, DC 20585; (202) 586-0072; GSA: Mr. John E.B. Smith, Deputy Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th and F Street., NW., Washington, DC 20405; (202) 501-0084; INTERIOR: Mr. Michael C. DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Kodiak National Wildlife Refuge, Alaska

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability of the Record of Decision for the Final Revised Comprehensive Conservation Plan and Environmental Impact Statement for Kodiak National Wildlife Refuge, Alaska.

SUMMARY: This is a notice of availability of the Record of Decision (ROD) for the Kodiak National Wildlife Refuge Final Comprehensive Conservation Plan and Environmental Impact Statement (Final CCP/EIS). The Refuge is located in the Kodiak Island Borough, Alaska. The Final CCP/EIS included a thorough analysis of environmental, social, and economic considerations. The Final CCP/EIS was released to the public and a Notice of Availability was published in the **Federal Register** on October 6, 2006 (71 FR 59105). The ROD documents the selection of Alternative D, the Preferred Alternative in the Final CCP/EIS, as the Comprehensive Conservation Plan for Kodiak Refuge. The ROD was signed by the Regional Director, U.S. Fish and Wildlife Service, Alaska Region, on February 8, 2007.

ADDRESSES: A paper copy of the ROD or Final CCP/EIS (also available on a compact disk) may be obtained from the Refuge Manager, Kodiak National Wildlife Refuge, 1390 Buskin River Road, Kodiak, Alaska 99615, Phone (907) 487-2600 or from Mikel Haase, Planning Team Leader, U.S. Fish and Wildlife Service, 1011 East Tudor Road, MS 231, Anchorage, Alaska 99503-6199, Phone (907) 786-3402. You may access or download the ROD or Final CCP/EIS at the following Web site: <http://alaska.fws.gov/nwr/planning/kodpol.htm>.

FOR FURTHER INFORMATION CONTACT:

Refuge Manager at the above address or phone.

SUPPLEMENTARY INFORMATION: The Kodiak Refuge Comprehensive Conservation Plan provides management guidance that conserves refuge resources and facilitates compatible fish and wildlife-dependent public use activities during the next 15 years. The following is a summary of the ROD for the Refuge's Final CCP/EIS.

The Service has selected Alternative D, the Preferred Alternative, as the Comprehensive Conservation Plan for Kodiak Refuge. Alternative D addresses key issues and concerns identified

during the planning process and will best achieve the purposes of the Refuge as well as the mission of the National Wildlife Refuge System. This decision adopts the management goals and objectives (Chapter 2) and the stipulations and mitigation measures identified in Alternative D and in the compatibility determinations (Appendix E). Implementation of Alternative D will occur over the next 15 years, depending on future staffing levels and funding.

Factors Considered in Making the Decision

The decision was based on a thorough analysis of the environmental, social, and economic considerations presented in the Final CCP/EIS. The Service reviewed and considered the impacts identified in Chapter 4 of the Draft and Final CCP/EIS; relevant issues, concerns, and opportunities; input received throughout the planning process, including the results of various studies and surveys, advice from technical experts, and public comments on the Draft and Final CCP/EIS; and other factors, including refuge purposes and relevant laws, regulations, and policies. The Final EIS/CCP addresses a variety of needs, including protection of fish and wildlife populations and their habitats and providing opportunities for fish and wildlife-dependent recreation, subsistence, and other public uses. The combination of these components in Alternative D contributes significantly to achieving refuge purposes and goals. Alternative D also strengthens the monitoring of fish, wildlife, habitat, and public uses on the Refuge to provide means to better respond to changing conditions in the surrounding landscape.

Dated: April 20, 2007.

Thomas O. Melius,

Regional Director, U.S. Fish & Wildlife Service, Anchorage, Alaska.
